RE: Request for Proposal for Vision Services

Missouri Consolidated Health Care Plan (MCHCP) will be working with Optavise (DirectPath is becoming Optavise), an online request for proposal (RFP) system, in the marketing of the 2024 MCHCP Vision RFP for a January 1, 2024, effective date. You are invited to submit a proposal for these services. We believe that you will find this RFP a great potential opportunity for your organization.

MCHCP is the employee health benefit program for most State of Missouri employees, retirees, and their families. This contract provides for a voluntary, fully-insured vision program on a national basis to state members of MCHCP. Missouri Department of Transportation (MoDOT), Missouri State Highway Patrol (MSHP), and Missouri Department of Conservation (MDC) are included in MCHCP's procurement for this vision program.

In addition, MCHCP offers a vision plan to those public entities that have elected to join MCHCP for their medical coverage. These members are also included in this RFP under separate pricing.

Current State vision plan enrollment is over 39,000 subscribers (over 71,000 lives). MCHCP's total health plan enrollment is over 49,000 subscribers (over 85,000 lives). MoDOT covers approximately 4,200 employees (over 10,600 lives), MSHP covers approximately 2,000 employees (5,500 lives), and MDC has approximately 1,300 employees (3,600 lives).

Current public entity vision enrollment is approximately 650 subscribers (950 lives). Total public entity health plan enrollment is nearly 900 subscribers (over 1,200 total lives).

The term of the contract will be one year with an additional four (4) one-year renewal options available at the sole option of the MCHCP Board of Trustees. Bidders are required to provide guaranteed pricing for the plan year beginning January 1, 2024, with not-to-exceed pricing for plan years beginning January 1 of 2025 and 2026. Pricing for plan years beginning January 1 of 2027 and 2028 will be negotiated.

Current Contract

MCHCP's current contract with National Vision Administrators (NVA) will expire on December 31, 2023. MCHCP reserves the right to award multiple contracts from this RFP.

Introduction

Missouri Consolidated Health Care Plan (MCHCP) is the employee health benefit program for most State of Missouri employees, retirees, and their dependents covering over 85,000 members (lives). An additional 1,200 non-state local government members are covered through their public entity employer.

This contract provides for a voluntary, fully-insured vision program on a national basis to state members of MCHCP. Missouri Department of Transportation (MoDOT), Missouri State Highway Patrol (MSHP), and Missouri Department of Conservation (MDC) are eligible for this vision program.

In addition, MCHCP offers a vision plan to those public entities that have elected to join MCHCP for their medical coverage. These members are also included in this Request for Proposals (RFP).

This document constitutes a request for sealed proposals, to provide a voluntary vision plan on a fully-insured basis to State of Missouri active employees, retirees, and their covered dependents, as well as those local governments (public entities) that have joined MCHCP and elect to offer vision coverage. The contractor assumes the risk for vision care for plan participants and must have a network or series of networks providing quality vision care and discounted service fees. This network must include optometrists and/or ophthalmologists and sites to purchase lenses, frames, and contacts. The contractor must conduct a quality assurance review of providers and services that stresses quality and efficiency.

Over 39,000 State employees and retirees (over 71,000 lives) and 650 public entity employees (over 950 lives) are covered by the vision program for the 2023 plan year.

- Pricing and benefits are subject to negotiation prior to contract award and renewal each year.

Section 610.011 requires that all provisions be “liberally construed and their exceptions strictly construed to promote” the public policy that records are open unless otherwise provided by law. Regardless of any claim by a bidder as to material being proprietary and not subject to copying or distribution, or how a bidder characterizes any information provided in its proposal, all material submitted by the bidder in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see Chapter 610 of the Missouri Revised Statutes). Only information expressly permitted by the provisions of Missouri’s Sunshine Law to be closed – strictly construed – will be redacted by MCHCP from any public request submitted to MCHCP after an award is made. MCHCP reserves the right to request written clarification of any portion of the bidder’s response to verify the intent of the bidder. The bidder is cautioned, however, that its response shall be subject to acceptance or rejection without further clarification.

MCHCP reserves the right to consider historic information and fact, whether gained from the bidder’s proposal, question and answer conferences, references, or any other source, in the evaluation process. The bidder is cautioned that it is the bidder’s sole responsibility to submit information related to the evaluation

categories and that MCHCP is under no obligation to solicit such information if it is not included with the bidder's proposal. Failure of the bidder to submit such information may cause an adverse impact on the evaluation of the bidder's proposal.

After determining that a proposal satisfies the mandatory requirements stated in the RFP, the comparative assessment of the relative benefits and deficiencies of the proposal in relationship to the published evaluation criteria shall be made by using subjective judgment. A maximum of MBE/WBE participation points of 10 points will be awarded based on the participation amount proposed by the bidder. Awarded MBE/WBE participation points will be added to the non-financial points earned by the bidder and will be included to determine if a bidder meets the 80 percent threshold to obtain finalist status.

Minority Business Enterprise (MBE)/Women Business Enterprise (WBE) Participation

The bidder should secure participation of certified MBEs and WBEs in provider products/services required in this RFP. The targets of participation recommended by the State of Missouri are 10% MBE and 5% WBE of the total dollar value of the contract.

- a) These targets can be met by a qualified MBE/WBE vendor themselves and/or through the use of qualified subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful opportunities for MBE/WBE participation.
- b) The services performed or the products provided by MBE/WBEs must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by MBE/WBEs is utilized, to any extent, in the bidder's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
- c) To be considered as meeting these targets, the MBE/WBEs must be "qualified" by the proposal opening date (date the proposal is due). (See below for a definition of a qualified MBE/WBE.)
- d) If the bidder is proposing MBE/WBE participation, to receive evaluation consideration for MBE/WBE participation, the bidder must provide the following information with the proposal.
 - a. Participation Commitment - If the bidder is proposing MBE/WBE participation, the vendor must complete Section 11 of the Vision Questionnaire (MBE-WBE Participation Commitment), by listing each proposed MBE and WBE, the committed percentage of participation for each MBE and WBE, and the commercially useful products/services to be provided by the listed MBE and WBE. If the vendor submitting the proposal is a qualified MBE and/or WBE, the vendor must include the vendor in the appropriate table on the Participation Commitment Form.
 - b. Documentation of Intent to Participate – The bidder must either provide a properly completed Exhibit A-6, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed or must provide a letter of intent signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed which: (1) must describe the products/services the MBE/WBE will provide and (2) should include evidence that the MBE/WBE is qualified, as defined herein (i.e., the MBE/WBE Certification Number or a copy of MBE/WBE certificate issued by the Missouri OEO). If the bidder submitting the proposal is a qualified MBE and/or WBE, the bidder is not required to complete Exhibit A-6, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

- e) Commitment – If the bidder's proposal is awarded, the percentage level of MBE/WBE participation committed to by the bidder on Exhibit A-6, Participation Commitment, shall be interpreted as a contractual requirement.

Definition -- Qualified MBE/WBE:

MCHCP also reserves the right to interview the proposed account management team. MCHCP may ask additional questions and/or conduct a site visit of the bidder's service center or other appropriate location.

Negotiation and Contract Award

The bidder is advised that under the provisions of this RFP, MCHCP reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

- Negotiations may be conducted in person, in writing, or by telephone.
- Negotiations will only be conducted with bidders who provide potentially acceptable proposals. MCHCP reserves the right to limit negotiations to those bidders which received the highest rankings during the initial evaluation phase. All bidders involved in the negotiation process will be invited to submit a best and final offer.
- Terms, conditions, prices, methodology, or other features of the bidder's proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the bidder may be required to submit supporting financial, pricing, and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.
- The mandatory requirements of the RFP shall not be negotiable and shall remain unchanged unless MCHCP determines that a change in such requirements is in the best interest of MCHCP and its members.
- Bidder understands that the terms of any negotiation are confidential until an award is made or all proposals are rejected.

Any award of a contract resulting from this RFP will be made only by written authorization from MCHCP.

In order to secure data that resides with Missouri Consolidated Health Care Plan (MCHCP) and in order to ensure the integrity, security, and confidentiality of information maintained by MCHCP, and to permit appropriate disclosure and use of such data as permitted by law, MCHCP and _____ enter into this Agreement to comply with the following specific paragraphs.

1. This Agreement is by and between MCHCP, a covered entity under the Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA"), and _____, hereinafter referred to as "User".
2. This Agreement addresses the conditions under which MCHCP will disclose and the User will obtain and use MCHCP's file(s) specified in this agreement. This Agreement supersedes any and all agreements between the parties with respect to the use of MCHCP's file(s), and preempts and overrides any instructions, directions, agreements, or other understanding in or pertaining to any prior communication from MCHCP with respect to the data specified herein. Further, the terms of this Agreement can be changed only by a written modification to this Agreement, or by the parties adopting a new agreement. The parties agree further that instructions or interpretations issued to the User concerning this Agreement or the data specified herein, shall not be valid unless issued in writing by MCHCP's Executive Director.
3. Unless otherwise expressly stated in this Agreement, all words, terms, specifications, and requirements used or referenced in this Agreement which are defined in the HIPAA Rules shall have the same meanings as described in the HIPAA Rules. Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.
4. The parties mutually agree that MCHCP retains all ownership rights to the demographic file referred to in this Agreement, and that the User does not obtain any right, title, or interest in any of the data furnished by MCHCP.
5. The parties mutually agree that the following named individual is designated as "Custodian" of the file on behalf of the User, and will be personally responsible for the observance of all conditions of use and for establishment and maintenance of security arrangements as specified in this Agreement to prevent unauthorized use. The User agrees to notify MCHCP within five (5) days of any change of custodianship. 6. The User represents and warrants, and in furnishing the claims file(s), MCHCP relies upon such representation and warranty, that these files will be used solely for the purposes outlined

below. The User agrees not to use or further disclose the data covered by this Agreement other than as provided for by this Agreement. The parties agree that no provision of this Agreement permits the User to use or disclose protected health information (PHI) in a manner that would violate HIPAA if used or disclosed in like manner by MCHCP. MCHCP's claims files are used solely for the following:

- Modeling of potential claim volume for purposes of bidding on a fully insured contract with MCHCP for vision benefits; and/or
- Network analysis and evaluation of proposed network's geographic accessibility to MCHCP for vision benefits; and/or
- Underwriting and premium rating for purposes of bidding on an insured contract with MCHCP for vision benefits.

The User represents and warrants further that the User shall not disclose, release, reveal, show, sell, rent, lease, loan, or otherwise grant access to the data covered by this Agreement to any person(s) other than as allowed by this Agreement. The User agrees that, within the User organization, access to the data covered by this Agreement shall be limited to the minimum number of individuals necessary to achieve the purpose stated in this section and to those individuals on a need-to-know basis only. The User agrees to ensure that any individual(s) or agent(s) the User discloses or allows to access the data covered by this Agreement will be bound to the same restrictions and conditions that apply to the User. Disclosure of this data is made pursuant to 45 CFR §§ 164.514(e)(1) and (g).

7. MCHCP will provide the User with the files, which is a subset of MCHCP's master records. MCHCP warrants that the file is accurate to the extent possible.
8. The parties mutually agree that the aforesaid file (and/or any derivative file(s) [includes any file that maintains or continues identification of individuals]) may be retained by the User only for the period of time required for any processing related to the purposes outlined in section 5 above. After the bidding process is complete, the User agrees to promptly destroy such data. The User agrees that no data from MCHCP records, or any parts thereof, shall be retained when the aforementioned file(s) are destroyed unless authorization in writing for the retention of such file(s) has been received from MCHCP's Executive Director. The User acknowledges that stringent adherence to the aforementioned information outlined in this paragraph is required. The User further acknowledges that MCHCP's demographic file received for any previous periods, and all copies thereof, must be destroyed upon receipt of an updated version. The User agrees that for any data covered by this Agreement, in any form, that the User maintains after the bidding process is complete, the User agrees to: (i) refrain from any further use or disclosure of the PHI; (ii) continue to safeguard the PHI thereafter in accordance with the terms of this Agreement; and (iii) not attempt to de-identify the PHI.
9. The User agrees to establish appropriate administrative, technical, and physical safeguards to protect the privacy and security of the data, and to prevent any unauthorized use or disclosure. The safeguards shall provide a level and scope of security that is not less than the level and scope of security established by HIPAA. The User acknowledges that the use of unsecured telecommunications, including the Internet, to transmit individually identifiable, including protected health information, or deducible information derived from the file(s) specified above in section 6 is strictly prohibited. Further, the User agrees that the data must not be physically moved or transmitted in any way from the site indicated above in section 4, without written approval from MCHCP.

10. The User agrees that the authorized representatives of MCHCP and the Department of Health and Human Services (“HHS”) will be granted access to the premises where the aforesaid file(s) are kept for the purpose of inspecting security arrangements and confirming whether the User is in compliance with the privacy and security requirements specified in this Agreement.
11. The User agrees that no findings, listing, or information derived from the file(s) specified in section 6, with or without identifiers, may be released if such findings, listing, or information contain any combination of data elements that might allow the deduction of a MCHCP member’s identification (Examples of such data elements include, but are not limited to, address, zip code, sex, age, , etc.) The User agrees further that MCHCP shall be the sole judge as to whether any finding, listing, or information, or any combination of data extracted or derived from MCHCP’s files identifies or reasonably could identify an individual or to deduce the identity of an individual.
12. The User agrees that the User shall make no attempt to link records included in the file(s) specified in section 6 to any other identifiable source of information or attempt to identify the information or individual(s) contained in the data. This includes attempts to link to other MCHCP data files. In addition, the User agrees not to contact the individual(s) who are the subject of the data covered by this Agreement.
13. The User understands and agrees that it may not reuse original or derivative data file(s) without prior written approval from MCHCP’s Executive Director.
14. The User agrees to immediately report to MCHCP any use or disclosure of PHI not authorized or provided for by this Agreement in accordance with the notice provisions prescribed in this Section 14.
 - 14.1 The notice shall be delivered to, and confirmed received by, MCHCP without unreasonable delay, but in any event no later than three (3) business days of the User’s first discovery, meaning the first day on which such unauthorized use or disclosure is known to the User, or by exercising reasonable diligence, would have been known to the User, of the unauthorized use or disclosure.
 - 14.2 The notice shall be in writing and shall include a complete description of the unauthorized use or disclosure, and if applicable, a list of affected individuals and a copy of the template breach notification letter to be sent to affected individuals.
15. The User agrees that in the event MCHCP determines or has a reasonable belief that the User has made or may have used or disclosed the aforesaid file(s) that is not authorized by this Agreement, or other written authorization from MCHCP’s Executive Director, MCHCP in its sole discretion may require the User to: (a) promptly investigate and report to MCHCP the User’s determinations regarding any alleged or actual unauthorized use or disclosure, (b) promptly resolve any problems identified by the investigation; (c) if requested by MCHCP, submit a formal written response to an allegation of unauthorized use or disclosure; (d) if requested by MCHCP, submit a corrective action plan with steps designed to prevent any future unauthorized uses or disclosures; and (e) if requested by MCHCP, destroy or return data files to MCHCP immediately. The User understands that as a result of MCHCP’s determination or reasonable belief that unauthorized uses or disclosures have taken place, MCHCP may refuse

to release further MCHCP data to the User for a period of time to be determined by MCHCP. Further, the User agrees that MCHCP may report the problem to the Secretary of HHS.

16. The User agrees to assume all costs and responsibilities associated with any breach, as defined in the HIPAA breach notification provisions, of any protected health information obtained from MCHCP's demographic file caused by the User organization. Such costs and responsibilities include: determining if and when a breach has occurred, however, all final decisions involving questions of a breach shall be made by MCHCP; investigating the circumstances surrounding any possible incident of breach; providing on behalf of MCHCP all notifications legally required of a covered entity in accordance with HIPAA breach notification laws and regulations; paying for the reasonable and actual costs associated with such notifications; The User further agrees to indemnify and hold MCHCP harmless from any and all penalties or damages associated with any breach caused by the User organization.
17. The User hereby acknowledges the criminal and civil penalties for violations under HIPAA. If User is a covered entity under HIPAA, its receipt of MCHCP's limited data set and violation of this data use agreement may cause the User to be in noncompliance with the standards, implementation specifications, and requirements of 45 CFR § 164.514 (e).
18. By signing this Agreement, the User agrees to abide by all provisions set out in this Agreement for protection of the data file specified in section 6, and acknowledges having received notice of potential criminal and civil penalties for violation of the terms of the Agreement.
19. On behalf of the User, the undersigned individual hereby attests that he or she is authorized to enter into this Agreement and agrees to all the terms specified herein. This Agreement shall be effective upon signature by both parties. The duration of this Agreement is one year from the effective date. The User also acknowledges that this Agreement may be terminated at any time with the consent of both parties involved. Either party may independently terminate the Agreement upon written request to the other party, in which case the termination shall be effective 60 days after the date of the notice, or at a later date specified in the notice.

1.21 Acceptance: No contract provision or use of items by MCHCP shall constitute acceptance or relieve CONTRACTOR of liability in respect to any expressed or implied warranties.

1.22 Survival of Terms: Termination or expiration of this Contract for any reason will not release either party from any liabilities or obligations set forth in this Contract that: (i) the parties expressly agree will survive any such termination or expiration; or (ii) remain to be performed or by their nature would be intended to apply following any such termination or expiration.

2 CONTRACTOR's Obligations

2.1 Eligible Members: CONTRACTOR shall agree that eligible members are those employees, retirees and their dependents who are eligible as defined by applicable state and federal laws, rules and regulations, including revision(s) to such. 2.2 Confidentiality: CONTRACTOR will have access to private and/or confidential data maintained by MCHCP to the extent necessary to carry out its responsibilities under this Contract. No private or confidential data received, collected, maintained, transmitted, or used in the course of performance of this Contract shall be disseminated by CONTRACTOR except as authorized by MCHCP, either during the period of this Contract or thereafter. CONTRACTOR must agree to return any or all data furnished by MCHCP promptly at the request of MCHCP in whatever form it is maintained by CONTRACTOR. On the termination or expiration of this Contract, CONTRACTOR will not use any of such data or any material derived from the data for any purpose and, where so instructed by MCHCP, will destroy or render it unreadable.

2.3 Subcontracting: Subject to the terms and conditions of this section, this Contract shall be binding upon the parties and their respective successors and assigns. CONTRACTOR may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities

hereunder without the prior written consent of MCHCP. CONTRACTOR agrees that any and all subcontracts entered into by CONTRACTOR for the purpose of meeting the requirements of this Contract are the responsibility of CONTRACTOR. MCHCP will hold CONTRACTOR responsible for assuring that subcontractors meet all the requirements of this Contract and all amendments thereto. CONTRACTOR must provide complete information regarding each subcontractor used by CONTRACTOR to meet the requirements of this Contract.

For the purposes of this paragraph, "material" means of a nature or of sufficient monetary value, or concerning a subject which a reasonable party in the position of and comparable to MCHCP would consider relevant and important in assessing the relationship and services contemplated by this Contract. It is further understood in that in fulfilling its ongoing responsibilities under this paragraph, CONTRACTOR is obligated to make its best faith efforts to disclose only those relevant matters which to the attention of or should have been known by CONTRACTOR's personnel involved in the engagement covered by this Contract and/or which come to the attention of or should have been known by any individual or office of CONTRACTOR designated by CONTRACTOR to monitor and report such matters.

Upon learning of any such actions, MCHCP reserves the right, at its sole discretion, to terminate this Contract.

2.5 Off-shore Services: All services under this Contract shall be performed within the United States. Any violations of applicable laws, rules and regulations may result in termination of the Contract.

2.9 Prohibition of Gratuities: Neither CONTRACTOR nor any person, firm or corporation employed by CONTRACTOR in the performance of this Contract shall offer or give any gift, money or anything of value or any promise for future reward or compensation to any employee of MCHCP at any time.

2.10 Solicitation of Members: CONTRACTOR shall not use the names, home addresses or any other information contained about members of MCHCP for the purpose of offering for sale any property or services which are not directly related to services negotiated in this RFP without the express written consent of MCHCP's Executive Director.

2.11 Insurance and Liability: CONTRACTOR must maintain sufficient liability insurance, including but not limited to general liability, professional liability, and errors and omissions coverage, to protect MCHCP against any reasonably foreseeable recoverable loss, damage or expense under this engagement. Notwithstanding the foregoing, CONTRACTOR may, without the consent of MCHCP, assign its rights to payment to be received under this Contract, provided that CONTRACTOR provides written notice of such assignment to MCHCP together with a written acknowledgment from the assignee that any such payments are subject to all of the terms and conditions of this Contract. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in CONTRACTOR provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company. Any assignment consented to by MCHCP shall be evidenced by a written assignment agreement executed by CONTRACTOR and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of this Contract and to assume the duties, obligations, and responsibilities being assigned. A change of name by CONTRACTOR, following which CONTRACTOR's federal identification number remains

As principles of governmental or public law are involved, MCHCP may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by MCHCP at CONTRACTOR's written request, it shall be at CONTRACTOR's expense, but the responsibility for such expense shall be only that within CONTRACTOR's written authorization. CONTRACTOR shall indemnify and hold MCHCP harmless from all damages, costs, and expenses, including attorney's fees that CONTRACTOR or MCHCP may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of this Contract. 3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within seven (7) business days of receipt of MCHCP's written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

3.8 PHI Disclosure Accounting. Business Associate agrees to document, maintain, and make available to MCHCP within seven (7) calendar days of a request from MCHCP for all disclosures made by or under the control of Business Associate or its subcontractors that are subject to accounting, including all information required, under § 164.528 to satisfy MCHCP's obligations regarding accounting of disclosures of PHI.

3.8.1 If Business Associate receives a request for accounting directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual's request, to MCHCP so that MCHCP can evaluate, coordinate and prepare a timely response to the individual's request.

3.8.2 In addition to the provisions of 3.8.1, all PHI accounting requests received by Business Associate directly from the individual shall be acted upon by Business Associate as a request from MCHCP for purposes of Business Associate's obligations under this section. Unless directed by MCHCP to respond directly to the individual, Business Associate shall provide all accounting information subject to disclosure under § 164.528 to MCHCP within seven (7) calendar days of the individual's request for accounting.

3.9 Privacy of PHI. Business Associate agrees to fully comply with all provisions of Subpart E of 45 CFR Part 164 that apply to MCHCP to the extent Business Associate has agreed or assumed responsibilities under the Contract or this Agreement to carry out one or more of MCHCP's obligation(s) under 45 CFR Part 164 Subpart E.

3.10 Internal Practices, Books, and Records. Upon request of MCHCP or the Secretary, Business Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of MCHCP available to MCHCP and/or the Secretary in a time and manner designated by MCHCP or the Secretary for purposes of determining MCHCP's and/or Business Associate's compliance with the HIPAA Rules.

4 Permitted Uses and Disclosures of PHI by Business Associate.

4.1 Contractual Authorization. Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract, including but not limited to specific requirements set forth in the Scope of Work (as such term is defined in the Contract), as amended. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI which is required to provide the services specified in the Contract. The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.1.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate.

4.1.2 This Agreement permits Business Associate to combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities in order to provide MCHCP with such comprehensive, aggregate summary reports as specifically required by, or specially requested under, the Contract.

4.2 Authorization by Law. Business Associate may use or disclose PHI as permitted or required by law.

4.3 Minimum Necessary. Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.3.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate's workforce who need access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.3.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.

4.3.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose if and when:

- a) Making disclosures to public officials as permitted under § 164.512, if the public official represents that the information requested is the minimum necessary for the stated purpose(s); or
- b) The information is requested by a professional who is a member of its workforce or is a business associate of MCHCP for the purpose of providing professional services to MCHCP, if the professional represents that the information requested is the minimum necessary for the stated purpose(s).

4.3.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required under, and made in accordance with, the HIPAA Rules.

5 Obligations of MCHCP.

- 5.1 Notice of Privacy Practices. MCHCP shall notify Business Associate of any limitation(s) that may affect Business Associate's use or disclosure of PHI by providing Business Associate with MCHCP's Notice of Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this Agreement.
- 5.2 Individual Authorization Changes. MCHCP shall notify Business Associate in writing of any changes in, or revocation of, the authorization by an individual to use or disclose his or her PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.3 Confidential Communications. MCHCP shall notify Business Associate in writing of individual requests approved by MCHCP in accordance with § 164.522 to receive communications of PHI from Business Associate by alternate means or at alternative locations, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.4 Individual Restrictions. MCHCP shall notify Business Associate in writing of any restriction to the use or disclosure of PHI that MCHCP has agreed and, if applicable, any subsequent revocation or termination of such restriction, in accordance with § 164.522, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.5 Permissible Requests by MCHCP. MCHCP shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by MCHCP.

6 Term and Termination, Expiration, or Cancellation.

- 6.1 Term. This Agreement is effective upon signature of both parties, and shall terminate upon the termination, expiration, or cancellation of the Contract, as amended, unless sooner terminated for cause under subsection 6.2 below.
- 6.2 Termination. Without limiting MCHCP's right to terminate the Contract in accordance with the terms therein, Business Associate also authorizes MCHCP to terminate this Agreement immediately by written notice and without penalty if MCHCP determines, in its sole discretion, that Business Associate has violated a material term of this Agreement and termination of this Agreement is in the best interests of MCHCP or its members. Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative or in addition to termination, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the time and manner specified by MCHCP based on the circumstances presented. With respect to this subsection, MCHCP's remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.
- 6.3 Obligations of Business Associate Upon Termination. Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP's direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. All such PHI shall be securely transmitted in accordance with MCHCP's written directive in electronic format accessible and decipherable by the MCHCP designated recipient. Following confirmation of receipt and usable access of the transmitted PHI by the MCHCP designated recipient, Business Associate shall destroy all MCHCP-related PHI and thereafter retain no copies in any form for any purpose whatsoever. Within seven (7) business days following full compliance with the requirements of this subsection, an authorized representative of Business Associate shall certify in writing addressed to MCHCP's Privacy and Security Officers that Business Associate has fully complied with this subsection and has no possession, control, or access, directly or indirectly, to MCHCP-related PHI from any source whatsoever.

Notwithstanding the foregoing, Business Associate may maintain MCHCP-PHI after the termination of this Agreement to the extent return or destruction of the PHI is not feasible, provided Business Associate: (i) refrains from any further use or disclosure of the PHI; (ii) continues to safeguard the PHI thereafter in accordance with the terms of this Agreement; (iii) does not attempt to de-identify the PHI without MCHCP's prior written consent; and (iv) within seven (7) days following full compliance of the requirements of this subsection, provides MCHCP written notice describing all PHI maintained by Business Associate and certification by an authorized representative of Business Associate of its agreement to fully comply with the provisions of this paragraph.

- 6.4 Survival. All obligations and representations of Business Associate under this Section 6 and subsection 7.2 shall survive termination, expiration, or cancellation of the Contract and this Agreement.

7 Miscellaneous.

- 7.1 Satisfactory Assurance. Business Associate expressly acknowledges and represents that execution of this Agreement is intended to, and does, constitute satisfactory assurance to MCHCP of Business Associate's full and complete compliance with its obligations under the HIPAA Rules. Business Associate further acknowledges that MCHCP is relying on this assurance in permitting Business Associate to create, receive, maintain, use, disclose, or transmit PHI as described herein.
- 7.2 Indemnification. Each party shall, to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the other party and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys' fees and expenses, including at trial and on appeal) arising out of the acts or omissions of such party or any subcontractor, consultant, or workforce member of such party to the extent such acts or omissions violate the terms of this Agreement or the HIPAA Rules as applied to the Contract.

Notwithstanding the foregoing, if Business Associate maintains any MCHCP-related PHI following termination of the Contract and this Agreement pursuant to subsection 6.3, Business Associate shall be solely responsible for all PHI it maintains and, to the fullest extent permitted by law, Business Associate shall protect, defend, indemnify and hold harmless MCHCP and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys' fees and expenses, including at trial and on appeal) arising out of the acts or omissions of Business Associate or any subcontractor, consultant, or workforce member of Business Associate regarding such PHI to the extent such acts or omissions violate the terms of the Act or the HIPAA Rules.

- 7.3 No Third Party Beneficiaries. There is no intent by either party to create or establish third party beneficiary status or rights or their equivalent in any person or entity, other than the parties hereto, that may be affected by the operation of this Agreement, and no person or entity, other than the parties, shall have the right to enforce any right, claim, or benefit created or established under this Agreement.
- 7.4 Amendment. The parties agree to work together in good faith to amend this Agreement from time to time as is necessary or advisable for compliance with the requirements of the HIPAA Rules. Notwithstanding the foregoing, this Agreement shall be deemed amended automatically to the extent any provisions of the Act or the HIPAA Rules not addressed herein become applicable to Business Associate during the term of this Agreement pursuant to and in accordance with any subsequent modification(s) or official and binding legal clarification(s), to the Act or the HIPAA Rules.
- 7.5 Interpretation. Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.

THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS BUSINESS ASSOCIATE AGREEMENT.

1 Please confirm you consider Puerto Rico to be onshore, since technically it is a US territory.	MCHCP does not consider Puerto Rico to be onshore for this contract. Please detail what obligations under the contract are provided in Puerto Rico on Exhibit A-3 Proposed Bidder Modifications for evaluation whether an exception could be granted.
2 Please provide us with current enrollment counts by tier by plan.	Please see attached document.
3 Please provide clarification with regard to what Attachment 6 (Vision claim file layout) is referring to.	Attachment 6 is a sample claim file layout that represents the fields that should be included on the monthly claim file to be sent to MCHCP's data warehouse contractor, Merative. See Exhibit B (Scope of Work), Section B4.2 for additional information on this requirement. Question 6.4 of the Vision Questionnaire asks for the bidder's experience in providing this type of data.
4 Please confirm that MCHCP incurs \$0 claim costs for all progressive lenses. If not, what is the base cost incurred for progressives?	For all progressive lenses, NVA reimburses the provider up to the trifocal amount (\$52) and the member then pays either a copayment or a discounted amount based on the plan they are enrolled. 5 Exhibit A-3 Bidder's Proposed Modifications asks us to clearly identify by subsection number any exceptions to the Request for Proposal (RFP) provisions and include an explanation as to why the bidder cannot comply with the specific provision. Are we to identify all RFP exceptions on this form or only those that apply to the Mandatory Contract Provisions?	All requested modifications by the bidder should be outlined in Exhibit A-3.
6 Please provide the Vision Certificate/SPD, with a full description of coverages, exclusions, limitations, etc.	Please see attached.
7 Please provide utilization for progressives Tiers 1-8.	This benefit was first implemented Jan. 1, 2023; therefore, there has been limited utilization to date.
8 Please provide an indicator in the eligibles and/or enrollees file that identifies the plan design (basic/premium) that the member is tied to.	An updated Attachment 3 that includes the vision plan of the member has been made available to all potential bidders that have submitted a completed Exhibit A-2 Limited Data Use Agreement.
9 In order to consider providing a quote in a multi-carrier scenario, we need to know the following: a. Is it the intent of MCHCP to have each carrier offer dual options, or would one carrier offer the basic plan and one carrier offer the premium plan? b. If each carrier is to offer a dual choice plan, is MCHCP open to allowing one of the carriers to offer plans not requested (or plans that include enhancements), rather than adhering to the requested plan designs?	Each contractor would offer both plan designs. If the bidder would like to propose alternative options, MCHCP would like to hear from the bidder what the proposed offering would be. Please provide an explanation of the offering proposed along with proposed rates. However, please be aware that MCHCP retains the right to reject the proposed alternative option.
10 The following comment appears in the experience: "Incurred claims include a reserve IBNR (Incurred but not Reported)." Are the monthly claims shown on a paid basis or an incurred basis? If incurred with IBNR adjustment, is it possible to obtain monthly claims on a paid basis?	The monthly claims for 2022 are shown on an incurred basis since there were claims from the second half of last year that had not been submitted. Monthly claims on a paid basis will not be provided.

Response to Vendor Questions
2024 Vision RFP
March 27, 2023**

This response is provided by MCHCP to an additional question received from a potential bidder for the 2024 Vision RFP.

Question	Response
1 MCHCP has requested a fully-insured bid for vision benefit plans. For a typical insured plan, a BAA would not be executed as the vision insurer is the Covered Entity under HIPAA, not a Business Associate. Entering into a BAA introduces confusion about the respective responsibilities and obligations of the parties. Please confirm the BAA will be required as part of the contracting process and if required, MCHCP's willingness to negotiate terms to mitigate conflicting obligations for the selected insurer(s).	MCHCP recognizes that a fully insured plan brings different nuances to the table; however MCHCP, as a covered entity itself, must not inappropriately share information. MCHCP is willing to negotiate the BAA to best reflect this unique relationship. Please include any suggested edits in a redlined version of the sample BAA as part of your bid.
