Such communication should be received no later than the date noted in Section A.

Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. Any suspected violation shall be referred to the Missouri Attorney General’s Office for appropriate action.

C2.4 No contract shall be considered to have been entered into by MCHCP until the contract has been awarded and all material terms have been finalized. An award will not be made until the contract has been signed by duly authorized representatives of the selected bidder and MCHCP.

C5.4 Any bidder offering to provide services must sign a Contractor Certification (Exhibit C) in accordance with § 285.530, RSMo. Failure to return a signed Certification may result in the bidder’s proposal being considered nonresponsive.
MANDATORY CONTRACT PROVISIONS

Bidders are expected to closely read the Mandatory Contract Provisions and provide a binding signature of intent to comply with such terms and conditions. **Rejection of these provisions may be cause for rejection of a bidder’s proposal.**

A draft contract will be presented to the bidder selected by the MCHCP Board of Trustees for negotiation, minor modifications, if appropriate, and execution by both parties before the award is final and announced. The contract will include, among other things, the following Mandatory Contract Provisions.

If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form or such other form and format as agreed to by Business Associate and the individual. 3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within ten (10) business days of receipt of MCHCP’s written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

4 Permitted Uses and Disclosures of PHI by Business Associate.
4.1 **Contractual Authorization.** Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI in performing the duties required in the contract, in accordance with the various information sources, recipients, and purposes described therein.

4.2 **Authorization by Law.** Business Associate may use or disclose PHI as permitted or required by law.

4.3 **Qualified Authorization.** The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.3.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate; and

4.3.2 This Agreement permits Business Associate to disclose PHI received by Business Associate in its capacity as a business associate of MCHCP, only if: (A) the disclosure is required by law; or (B) Business Associate obtains reasonable assurance from the person to whom the PHI is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person; and such person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

4.4 **Data Aggregation.** In addition, Business Associate may combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities.

4.5 **Minimum Necessary.** Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit the minimum necessary PHI involving MCHCP members as is necessary to accomplish the purpose of such request, creation, use, disclosure, or transmission, in accordance with the HIPAA Rules and guidance published by the Secretary. In addition and to the extent not in conflict with the HIPAA Rules and guidance published by the Secretary, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.5.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its
reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate’s workforce who needs access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.5.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.

4.5.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose if and when:

a) Making disclosures to public officials as permitted under § 164.512; or

b) The information is requested by a professional who is a business associate of MCHCP for the purpose of providing professional services to MCHCP, if the professional represents that the information requested is the minimum necessary for the stated purpose(s) and MCHCP confirms, in writing, that it has business associate agreement with such professional.

4.5.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required under, and made in accordance with, the HIPAA Rules.

5 **Obligations of MCHCP.**

5.1 **Notice of Privacy Practices.** MCHCP shall notify Business Associate of any limitation(s) that may affect Business Associate’s use or disclosure of PHI, by providing Business Associate with MCHCP’s Notice of Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this Agreement.

Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the reasonable time and manner specified by MCHCP based on the circumstances presented. If MCHCP determines that neither cure nor termination, alternatively or collectively, are sufficient to comply with applicable law and protect the interests of MCHCP or its members, Business Associate authorizes and agrees that MCHCP may report the violation to the Department of Health and Human Services. With respect to this subsection, MCHCP’s remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

6.3 Obligations of Business Associate Upon Termination. Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP’s direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. 7.4 **Amendment.** The parties agree to work together in good faith to amend this Agreement from time to time as is necessary or advisable for compliance with the requirements of the HIPAA Rules. 7.5 **Interpretation.** Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.
THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS BUSINESS ASSOCIATE AGREEMENT.

<td>Regarding the 48,855 1095-B’s you issued for 2016, were these all for your retirees only? And, does the scope of your RFP cover just the 1095-B for retirees? We were curious for your active employees and the 1095-C for offer of coverage – do you have another system/process in place to produce the 1095-C’s? And, does that mean this RFP is not inclusive of the 1095-C?</td>
<td>The 48,855 1095-B’s for 2016 include all MCHCP members (Active &amp; Retirees) that we are required to report to the IRS. The scope of the this RFP only includes 1095-B’s and 1094-B reporting to the IRS, for MCHCP members (Active &amp; Retirees).
