Upon discovering an apparent clerical error, MCHCP shall contact the bidder and request written clarification of the intended proposal. The correction shall be made in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.

D3.2 Any pricing information submitted by a bidder must be disclosed on the pricing pages as designated in this RFP. Any pricing information which appears elsewhere in the bidder’s proposal shall not be considered by MCHCP.

D3.3 To be eligible to receive an award, the bidder must comply with all mandatory specifications and requirements of the RFP. MCHCP reserves the right to evaluate all offers and, based upon that evaluation, to reject all offers.

D3.4 MCHCP reserves the right to request written clarification of any portion of the bidder’s response to verify the intent of the bidder. The bidder is cautioned, however, that its response shall be subject to acceptance or rejection without further clarification.

D3.5 After determining that a proposal satisfies the mandatory requirements stated in the RFP, the comparative assessment of the relative benefits and deficiencies of the proposal in relationship to the published evaluation criteria shall be made. The award of a contract resulting from this RFP shall be based on the lowest and best proposal received in accordance with the evaluation criteria stated below:
Evaluation Criteria

Actuarial and Consulting Services 40 points
Qualifications & Experience of Key Personnel 40 points
Qualifications and Experience of the Company 20 points

The bidder’s proposed participation of MBE/WBE firms in meeting the targets of the RFP will be considered in the evaluation process. A maximum of MBE/WBE participation points of 10 points will be awarded based on the participation amount proposed by the bidder. Awarded MBE/WBE participation points will be added to the non-financial points earned by the bidder and will be included to determine if a bidder meets the 80 percent threshold to obtain finalist status.

Minority Business Enterprise (MBE)/Women Business Enterprise (WBE) Participation

The bidder should secure participation of certified MBEs and WBEs in provider products/services required in this RFP. The targets of participation recommended by the State of Missouri are 10% MBE and 5% WBE of the total dollar value of the contract.

a) These targets can be met by a qualified MBE/WBE vendor themselves and/or through the use of qualified subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful opportunities for MBE/WBE participation.

b) The services performed or the products provided by MBE/WBEs must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by MBE/WBEs is utilized, to any extent, in the bidder’s obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.

c) In order to be considered as meeting these targets, the MBE/WBEs must be “qualified” by the proposal opening date (date the proposal is due). (See below for a definition of a qualified MBE/WBE.)

d) If the bidder is proposing MBE/WBE participation, in order to receive evaluation consideration for MBE/WBE participation, the bidder must provide the following information with the proposal.

  a. Participation Commitment - If the bidder is proposing MBE/WBE participation, the vendor must complete Section E4 of the Questionnaire (MBE-WBE Participation Commitment), by listing each proposed MBE and WBE, the committed percentage of participation for each
MBE and WBE, and the commercially useful products/services to be provided by the listed MBE and WBE. If the vendor submitting the proposal is a qualified MBE and/or WBE, the vendor must include the vendor in the appropriate table on the Participation Commitment Form.

b. Documentation of Intent to Participate – The bidder must either provide a properly completed Exhibit D, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed or must provide a letter of intent signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed which: (1) must describe the products/services the MBE/WBE will provide and (2) should include evidence that the MBE/WBE is qualified, as defined herein (i.e., the MBE/WBE Certification Number or a copy of MBE/WBE certificate issued by the Missouri OEO). If the bidder submitting the proposal is a qualified MBE and/or WBE, the bidder is not required to complete Exhibit D, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

e) Commitment – If the bidder’s proposal is awarded, the percentage level of MBE/WBE participation committed to by the bidder on Exhibit D, Participation Commitment, shall be interpreted as a contractual requirement.

Definition -- Qualified MBE/WBE:
In order to be considered a qualified MBE or WBE for purposes of this RFP, the MBE/WBE must be certified by the State of Missouri, Office of Administration, Office of Equal Opportunity (OEO) by the proposal opening date.

MBE or WBE means a business that is a sole proprietorship, partnership, joint venture, or corporation in which at least fifty-one percent (51%) of the ownership interest is held by minorities or women and the management and daily business operations of which are controlled by one or more minorities or women who own it.

Minority is defined as belonging to one of the following racial minority groups: African Americans, Native Americans, Hispanic Americans, Asian Americans, American Indians, Eskimos, Aleuts, and other groups that may be recognized by the Office of Advocacy, United States Small Business Administration, Washington D.C.

A listing of several resources that are available to assist bidders in their efforts to identify and secure the participation of qualified MBEs and WBEs is available at the website shown below or by contacting the Office of Equal Opportunity (OEO) at:

D3.6 MCHCP reserves the right to consider historic information and fact, whether gained from the bidder's proposal, question and answer conferences, references, site visits or any other source, in the evaluation process.

D3.7 The bidder is cautioned that it is the bidder's sole responsibility to submit information related to the evaluation categories and that MCHCP is under no obligation to solicit such information if it is
not included with the bidder's proposal. Failure of the bidder to submit such information may cause an adverse impact on the evaluation of the bidder's proposal.

D3.8 MCHCP will limit the number of finalists to the greater of two or all bidders receiving 80 percent of the possible 100 non-financial points available.

D3.9 The bidder is advised that under the provisions of this RFP, MCHCP reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

- Negotiations may be conducted in person, in writing, or by telephone.
- Negotiations will only be conducted with potentially acceptable proposals. MCHCP reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All bidders involved in the negotiation process will be invited to submit a best and final offer.
- Terms, conditions, prices, methodology, or other features of the bidder’s proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the bidder may be required to submit supporting financial, pricing, and other data to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.
- The mandatory requirements of the RFP shall not be negotiable and shall remain unchanged unless MCHCP determines that a change in such requirements is in the best interest of MCHCP and its members.
- Bidder understands that the terms of any negotiation are confidential until an award is made or all proposals are rejected.

D3.10 After an initial screening process, a technical question and answer conference or interview may be conducted, if deemed necessary by MCHCP, to clarify or verify the bidder’s proposal and to develop a comprehensive assessment of the proposal. MCHCP intends to interview the finalists’ key personnel.

D4. PRICING

D4.1 The bidder must utilize Exhibit A to provide a firm, fixed pricing arrangement for CY2023.

D4.2 In determining pricing points, MCHCP will consider the potential three-year cost of the contract including the full not-to-exceed price for Years 2 and 3 of the contract. The maximum of 50 pricing points are weighted at a maximum score of 40 points for Core Services and 10 maximum points for Non-Core Service work.

D4.3 The bidder shall agree that annual pricing arrangements will be negotiated, but any increase in cost to MCHCP for Years 2 and 3 (CY2024 and 2025) will not exceed the pricing arrangements provided by the bidder on Exhibit A. Years 2 and 3 (CY2024 and 2025) are renewable at the sole option of MCHCP. Pricing for Years 4 and 5 will be negotiated.

D4.4 Any cost and/or pricing data submitted or related to the bidder’s proposal including any cost and/or pricing data related to contractual extension options, whether required or voluntary, shall be subject to evaluation if deemed by MCHCP to be in the best interests of members of the Plan.
D5. CONTRACT AWARD

D5.1 Any award of a contract resulting from this RFP will be made only by written authorization from MCHCP.

D6. CONFIDENTIALITY AND PROPRIETARY MATERIALS

D6.1 Pursuant to Section 610.021 RSMo, proposals and related documents shall not be available for public review until a contract has been awarded or all proposals are rejected. MCHCP maintains copies of all proposals and related documents.

D6.2 MCHCP is a governmental body under Missouri Sunshine Law (Chapter 610 RSMo). Section 610.011 requires that all provisions be “liberally construed and their exceptions strictly construed to promote” the public policy that records are open unless otherwise provided by law. Regardless of any claim by a bidder as to material being proprietary and not subject to copying or distribution, or how a bidder characterizes any information provided in its proposal, all material submitted by the bidder in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see Chapter 610 of the Missouri Revised Statutes). Only information expressly permitted by the provisions of Missouri’s Sunshine Law to be closed – strictly construed – will be redacted by MCHCP from any public request submitted to MCHCP after an award is made. Bidders should presume information provided to MCHCP in a proposal will be public following the award of the bid and made available upon request in accordance with the provisions of state law.
The bidder must complete the following questionnaire. Responses to the questionnaire must be in a separate section of the proposal and the questions must be repeated and answered in the order in which they are presented. In addition to an original and three hard copies of the proposal, provide a copy of the complete proposal on electronic media.

This Business Associate Agreement ("Agreement") between the Missouri Consolidated Health Care Plan (hereinafter "Covered Entity" or “MCHCP”) and Vendor Name. (hereinafter “Business Associate”) is entered into as a result of the business relationship between the parties in connection with services requested and performed in accordance with the 2023 Actuary Consulting Services RFP (“RFP”) and under Contract #23-ACS-01, as renewed and amended, (hereinafter the “Contract”).

This Agreement supersedes all other agreements, including any previous business associate agreements, between the parties with respect to the specific matters addressed herein. In the event the terms of this Agreement are contrary to or inconsistent with any provisions of the Contract or any other agreements between the parties, this Agreement shall prevail, subject in all respects to the Health Insurance Portability and Accountability Act of 1996, as amended (the “Act”), and the HIPAA Rules, as defined in Section 2.1 below.

1 Purpose.

The Contract is for the purpose of performing actuary and consulting services on behalf of MCHCP.

The purpose of this Agreement is to comply with requirements of the Act and the implementing regulations enacted under the Act, 45 CFR Parts 160 - 164, as amended, to the extent such laws relate to the obligations of business associates, and to the extent such laws relate to obligations of MCHCP in connection with services performed by Vendor for or on behalf of MCHCP under the Contract. This Agreement is required to allow the parties to lawfully perform their respective duties and maintain the business relationship described in the Contract.

2 Definitions.

2.1 For purposes of this Agreement:

“Business Associate” shall generally have the same meaning as the term “business associate” at 45 CFR § 160.103, and in reference to this Agreement, shall mean Vendor.

“Covered Entity” shall generally have the same meaning as the term “covered entity” at 45 CFR § 160.103, and in reference to this Agreement, shall mean MCHCP.

2.2 Unless otherwise expressly stated in this Agreement, all words, terms, specifications, and requirements used or referenced in this Agreement which are defined in the HIPAA Rules shall have the same meanings as described in the HIPAA Rules, including but not limited to: breach; data aggregation; designated record set; disclose or disclosure; electronic media; electronic protected health information (“ePHI”); family member; genetic information; health care; health information; health care operations; individual; individually identifiable health information; marketing; minimum necessary; notice of privacy practices; person; protected health information (“PHI”); required by law;
Secretary; security incident; standard; subcontractor; transaction; unsecured PHI; use; violation or violate; and workforce.

2.3 To the extent a term is defined in the Contract and this Agreement, the definition in this Agreement, subject in all material respects to the HIPAA Rules, shall govern.

2.4 Notwithstanding the forgoing, for ease of reference throughout this Agreement, Business Associate understands and agrees that wherever PHI is referenced in this Agreement, it shall be deemed to include all MCHCP-related PHI in any format or media including paper, recordings, electronic media, emails, and all forms of MCHCP-related ePHI in any data state, be it data in motion, data at rest, data in use, or otherwise.

3 Obligations and Activities of Business Associate.

3.1 Business Associate agrees to not use or disclose PHI other than as permitted or required by this Agreement or as required by law.

3.2 Appropriate Safeguards. Business Associate agrees to implement, maintain, and use appropriate administrative, physical, and technical safeguards, and fully comply with all applicable standards, implementation specifications, and requirements of Subpart C of 45 CFR Part 164 with respect to ePHI, in order to: (i) ensure the confidentiality, integrity, and availability of ePHI created, received, maintained, or transmitted; (ii) protect against any reasonably anticipated threats or hazards to the security or integrity of such information; and (iii) protect against use or disclosure of ePHI by Business Associate, its workforce, and its subcontractors other than as provided for by this Agreement.

3.3 Subcontractors. Pursuant to §§ 164.308(b)(2) and 164.502(e)(1)(ii), Business Associate agrees it will not permit any subcontractors to create, receive, access, use, maintain, disclose, or transmit PHI in connection with, on behalf of, or under the direction of Business Associate in connection with performing its duties and obligations under the Contract unless and until Business Associate obtains satisfactory assurances in the form of a written contract or written agreement in accordance with §§ 164.504(e) and 164.314(a)(2) that the subcontractor(s) will appropriately safeguard PHI and in all respects comply with the same restrictions, conditions, and requirements applicable to Business Associate under the HIPAA Rules and this Agreement with respect to such information.

In addition to the forgoing, and in accordance with the Contract, Business Associate agrees it will not permit any subcontractor, or use any off-shore entity, to perform services under the Contract, including creation, use, storage, or transmission of PHI at any location(s) outside of the United States.

3.4 Reports to MCHCP. Business Associate agrees to report any use or disclosure of PHI not authorized or provided for by this Agreement, including breaches of unsecured PHI and any security incident involving MCHCP to MCHCP in accordance with the notice provisions prescribed in this Section 3.4. For purposes of the security incident reporting requirement, the term “security incident” shall not include inconsequential incidents that occur on a daily basis, such as scans, “pings,” or other unsuccessful attempts to penetrate computer networks or servers containing ePHI maintained or transmitted by Business Associate.
3.4.1 The notice shall be delivered to, and confirmed received by, MCHCP without unreasonable delay, but in any event no later than three (3) business days of Business Associate’s first discovery, as discovery is described under § 164.410, of the unauthorized use or disclosure, breach of unsecured PHI, or security incident.

3.4.2 The notice shall be in writing and sent to both of the following MCHCP workforce members and deemed delivered only upon personal confirmation, acknowledgement or receipt in any form, verbal or written, from one of the designated recipients:

- MCHCP’s Privacy Officer ➔ currently, Jennifer Stilabower, (573) 522-3242, Jennifer.Stilabower@mchcp.org, 832 Weathered Rock Court, Jefferson City, MO 65101

- MCHCP’s Security Officer ➔ currently, Brad Kifer, (573) 526-2858 Brad.Kifer@mchcp.org, 832 Weathered Rock Court, Jefferson City, MO 65101

If, and only if, Business Associate receives an email or voicemail response indicating neither of the intended MCHCP recipients are available and no designee(s) confirm receipt within eight (8) business hours on behalf of one or both of the above-named MCHCP Officers, Business Associate shall forward the written notice to their primary MCHCP contact with copies to the Privacy and Security Officers for documentation purposes.

3.4.3 The notice shall include to the fullest extent possible:

a) a detailed description of what happened, including the date, time, and all facts and circumstances surrounding the unauthorized use or disclosure, breach of unsecured PHI, or security incident;

b) the date, time, and circumstances surrounding when and how Business Associate first became aware of the unauthorized use or disclosure, breach of unsecured PHI, or security incident;

c) identification of each individual whose PHI has been, or is reasonably believed by Business Associate to have been involved or otherwise subject to possible breach;

d) a description of all types of PHI known or potentially believed to be involved or affected;

e) identification of any and all unauthorized person(s) who had access to or used the PHI or to whom an unauthorized disclosure was made;

f) all decisions and steps Business Associate has taken to date to investigate, assess risk, and mitigate harm to MCHCP and all potentially affected individuals;

g) contact information, including name, position or title, phone number, email address, and physical work location of the individual(s) designated by Business Associate to act as MCHCP’s primary contact for purposes of the notice triggering event(s);
h) all corrective action steps Business Associate has taken or shall take to prevent future similar uses, disclosures, breaches, or incidents;

i) if all investigatory, assessment, mitigation, or corrective action steps are not complete as of the date of the notice, Business Associate’s best estimated timeframes for completing each planned but unfinished action step; and

j) any action steps Business Associate believes affected or potentially affected individuals should take to protect themselves from potential harm resulting from the matter.

3.4.4 Business Associate agrees to cooperate with MCHCP during the course of Business Associate’s investigation and risk assessment and to promptly and regularly update MCHCP in writing as supplemental information becomes available relating to any of the items addressed in the notice.

3.4.5 Business Associate further agrees to provide additional information upon and as reasonably requested by MCHCP; and to take any additional steps MCHCP reasonably deems necessary or advisable to comply with MCHCP’s obligations as a covered entity under the HIPAA Rules.

3.4.6 Business Associate expressly acknowledges the presumption of breach with respect to any unauthorized acquisition, access, use, or disclosure of PHI, unless Business Associate is able to demonstrate otherwise in accordance with § 164.402(2), in which case, Business Associate agrees to fully document its assessment and all factors considered and provide MCHCP no later than ten (10) calendar days following Business Associate’s discovery with its complete written risk assessment, conclusion reached, and all documentation supporting a conclusion that the unauthorized acquisition, access, use, or disclosure of PHI presents a low probability that PHI has been compromised.

3.4.7 The parties agree to work together in good faith, making every reasonable effort to reach consensus regarding whether a particular circumstance constitutes a breach or otherwise warrants notification, publication, or reporting to any affected individual, government body, or the public and also the appropriate means and content of any notification, publication, or report. Notwithstanding the foregoing, all final decisions involving questions of breach of PHI shall be made by MCHCP, including whether a breach has occurred, and any notification, publication, or public reporting required or reasonably advisable under the HIPAA Rules and MCHCP’s Notice of Privacy Practices based on all objective and verifiable information provided to MCHCP by Business Associate under this Section 3.4.

3.4.8 Business Associate agrees to bear all reasonable and actual costs associated with any notifications, publications, or public reports relating to breaches by Business Associate, any subcontractor of Business Associate, and any employee or workforce member of Business Associate and/or its subcontractors, as MCHCP deems necessary or advisable.

3.5 Confidential Communications. Business Associate agrees it will promptly implement and honor individual requests to receive PHI by alternative means or at an alternative location provided such
request has been directed to and approved by MCHCP in accordance with § 164.522(b) applicable to covered entities. If Business Associate receives a request for confidential communications directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual’s request, to MCHCP so that MCHCP can assess, accommodate, and coordinate reasonable requests of this nature in accordance with the HIPAA Rules and prepare a timely response to the individual.

3.6 Individual Access to PHI. If an individual requests access to PHI under § 164.524, Business Associate agrees it will make all PHI about the individual which Business Associate created or received for or from MCHCP that is in Business Associate’s custody or control available in a designated record set to MCHCP or, at MCHCP’s direction, to the requesting individual or his or her authorized designee, in order to satisfy MCHCP’s obligations as follows:

3.6.1 If Business Associate receives a request for individual PHI in a designated record set from MCHCP, Business Associate will provide the requested information to MCHCP within five (5) business days from the date of the request in a readily accessible and readable form and manner or as otherwise reasonably specified in the request.

3.6.2 If Business Associate receives a request for PHI in a designated record set directly from an individual current or former MCHCP member, Business Associate will require that the request be made in writing and will also promptly notify MCHCP that a request has been made verbally. If the individual submits a written request for PHI in a designated record set directly to Business Associate, no later than five (5) business days thereafter, Business Associate shall provide MCHCP with: (i) a copy of the individual’s request to MCHCP for purposes of determining an appropriate response to the request; (ii) the designated record sets in Business Associate’s custody or control that are subject to access by the requesting individual(s) requested in the form and format requested by the individual if it is readily producible in such form and format, or if not, in a readable hard copy form; and (iii) the titles of the persons or offices responsible for receiving and processing requests for access by individual(s). MCHCP will direct Business Associate in writing within five (5) business days following receipt of the information described in (i), (ii), and (iii) of this subsection 3.6.2 whether Business Associate should send the requested designated data set directly to the individual or whether MCHCP will forward the information received from Business Associate as part of a coordinated response or if for any reason MCHCP deems the response should be sent from MCHCP or another Business Associate acting on behalf of MCHCP. If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form or such other form and format as agreed to by Business Associate and the individual. Business Associate will provide MCHCP’s Privacy Officer with a copy of all responses sent to individuals pursuant to § 164.524 and the directives set forth in this subsection 3.6.2 for MCHCP’s compliance and documentation purposes.

3.7 Amendments of PHI. Business Associate agrees it will make any amendment(s) to PHI in a designated record set as directed or agreed to by MCHCP pursuant to § 164.526, and take other measures as necessary and reasonably requested by MCHCP to satisfy MCHCP’s obligations under § 164.526.
3.7.1 If Business Associate receives a request directly from an individual to amend PHI created by Business Associate, received from MCHCP, or otherwise within the custody or control of Business Associate at the time of the request, Business Associate shall promptly refer the individual to MCHCP’s Privacy Officer, and, if the request is in writing, shall forward the individual’s request three (3) business days to MCHCP’s Privacy Officer so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within seven (7) business days of receipt of MCHCP’s written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

3.8 PHI Disclosure Accounting. Business Associate agrees to document, maintain, and make available to MCHCP within seven (7) calendar days of a request from MCHCP for all disclosures made by or under the control of Business Associate or its subcontractors that are subject to accounting, including all information required, under § 164.528 to satisfy MCHCP’s obligations regarding accounting of disclosures of PHI.

3.8.1 If Business Associate receives a request for accounting directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual’s request, to MCHCP so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.8.2 In addition to the provisions of 3.8.1, all PHI accounting requests received by Business Associate directly from the individual shall be acted upon by Business Associate as a request from MCHCP for purposes of Business Associate’s obligations under this section. Unless directed by MCHCP to respond directly to the individual, Business Associate shall provide all accounting information subject to disclosure under § 164.528 to MCHCP within seven (7) calendar days of the individual’s request for accounting.

3.9 Privacy of PHI. Business Associate agrees to fully comply with all provisions of Subpart E of 45 CFR Part 164 that apply to MCHCP to the extent Business Associate has agreed or assumed responsibilities under the Contract or this Agreement to carry out one or more of MCHCP’s obligation(s) under 45 CFR Part 164 Subpart E.

3.10 Internal Practices, Books, and Records. Upon request of MCHCP or the Secretary, Business Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of MCHCP available to MCHCP and/or the Secretary in a time and manner designated by MCHCP or the Secretary for purposes of determining MCHCP’s and/or Business Associate’s compliance with the HIPAA Rules.
4 Permitted Uses and Disclosures of PHI by Business Associate.

4.1 Contractual Authorization. Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract, including but not limited to specific requirements set forth in the Scope of Work (as such term is defined in the Contract), as amended. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI which is required to provide the services specified in the Contract. The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.1.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate.

4.1.2 This Agreement permits Business Associate to combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities in order to provide MCHCP with such comprehensive, aggregate summary reports as specifically required by, or specially requested under, the Contract.

4.2 Authorization by Law. Business Associate may use or disclose PHI as permitted or required by law.

4.3 Minimum Necessary. Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.3.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate’s workforce who need access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.3.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.
4.3.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a
requested disclosure as the minimum necessary for the stated purpose if and when:

a) Making disclosures to public officials as permitted under § 164.512, if the public official
represents that the information requested is the minimum necessary for the stated
purpose(s); or

b) The information is requested by a professional who is a member of its workforce or is a
business associate of MCHCP for the purpose of providing professional services to MCHCP,
if the professional represents that the information requested is the minimum necessary for
the stated purpose(s).

4.3.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or
disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the
Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required
under, and made in accordance with, the HIPAA Rules.

5 Obligations of MCHCP

5.1 Notice of Privacy Practices. MCHCP shall notify Business Associate of any limitation(s) that may affect
Business Associate’s use or disclosure of PHI by providing Business Associate with MCHCP’s Notice of
Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this
Agreement.

5.2 Individual Authorization Changes. MCHCP shall notify Business Associate in writing of any changes in,
or revocation of, the authorization by an individual to use or disclose his or her PHI, to the extent that
such changes may affect Business Associate’s use or disclosure of PHI.

5.3 Confidential Communications. MCHCP shall notify Business Associate in writing of individual requests
approved by MCHCP in accordance with § 164.522 to receive communications of PHI from Business
Associate by alternate means or at alternative locations, to the extent that such changes may affect
Business Associate’s use or disclosure of PHI.

5.4 Individual Restrictions. MCHCP shall notify Business Associate in writing of any restriction to the use
or disclosure of PHI that MCHCP has agreed and, if applicable, any subsequent revocation or
termination of such restriction, in accordance with § 164.522, to the extent that such changes may
affect Business Associate’s use or disclosure of PHI.

5.5 Permissible Requests by MCHCP. MCHCP shall not request Business Associate to use or disclose PHI in
any manner that would not be permissible under the HIPAA Rules if done by MCHCP.
6  Term and Termination, Expiration, or Cancellation.

6.1  Term. This Agreement is effective upon signature of both parties, and shall terminate upon the termination, expiration, or cancellation of the Contract, as amended, unless sooner terminated for cause under subsection 6.2 below.

6.2  Termination. Without limiting MCHCP’s right to terminate the Contract in accordance with the terms therein, Business Associate also authorizes MCHCP to terminate this Agreement immediately by written notice and without penalty if MCHCP determines, in its sole discretion, that Business Associate has violated a material term of this Agreement and termination of this Agreement is in the best interests of MCHCP or its members. Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative or in addition to termination, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the time and manner specified by MCHCP based on the circumstances presented. With respect to this subsection, MCHCP’s remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

6.3  Obligations of Business Associate Upon Termination. Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP’s direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. All such PHI shall be securely transmitted in accordance with MCHCP’s written directive in electronic format accessible and decipherable by the MCHCP designated recipient. Following confirmation of receipt and usable access of the transmitted PHI by the MCHCP designated recipient, Business Associate shall destroy all MCHCP-related PHI and thereafter retain no copies in any form for any purpose whatsoever. Within seven (7) business days following full compliance with the requirements of this subsection, an authorized representative of Business Associate shall certify in writing addressed to MCHCP’s Privacy and Security Officers that Business Associate has fully complied with this subsection and has no possession, control, or access, directly or indirectly, to MCHCP-related PHI from any source whatsoever.

Notwithstanding the foregoing, Business Associate may maintain MCHCP-PHI after the termination of this Agreement to the extent return or destruction of the PHI is not feasible, provided Business Associate: (i) refrains from any further use or disclosure of the PHI; (ii) continues to safeguard the PHI thereafter in accordance with the terms of this Agreement; (iii) does not attempt to de-identify the PHI without MCHCP’s prior written consent; and (iv) within seven (7) days following full compliance of the requirements of this subsection, provides MCHCP written notice describing all PHI maintained by Business Associate and certification by an authorized representative of Business Associate of its agreement to fully comply with the provisions of this paragraph.

6.4  Survival. All obligations and representations of Business Associate under this Section 6 and subsection 7.2 shall survive termination, expiration, or cancellation of the Contract and this Agreement.
7 Miscellaneous

7.1 Satisfactory Assurance. Business Associate expressly acknowledges and represents that execution of this Agreement is intended to, and does, constitute satisfactory assurance to MCHCP of Business Associate’s full and complete compliance with its obligations under the HIPAA Rules. Business Associate further acknowledges that MCHCP is relying on this assurance in permitting Business Associate to create, receive, maintain, use, disclose, or transmit PHI as described herein.

7.2 Indemnification. Each party shall, to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the other party and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of such party or any subcontractor, consultant, or workforce member of such party to the extent such acts or omissions violate the terms of this Agreement or the HIPAA Rules as applied to the Contract.

Notwithstanding the foregoing, if Business Associate maintains any MCHCP-related PHI following termination of the Contract and this Agreement pursuant to subsection 6.3, Business Associate shall be solely responsible for all PHI it maintains and, to the fullest extent permitted by law, Business Associate shall protect, defend, indemnify and hold harmless MCHCP and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of Business Associate or any subcontractor, consultant, or workforce member of Business Associate regarding such PHI to the extent such acts or omissions violate the terms of the Act or the HIPAA Rules.

7.3 No Third Party Beneficiaries. There is no intent by either party to create or establish third party beneficiary status or rights or their equivalent in any person or entity, other than the parties hereto, that may be affected by the operation of this Agreement, and no person or entity, other than the parties, shall have the right to enforce any right, claim, or benefit created or established under this Agreement.

7.4 Amendment. The parties agree to work together in good faith to amend this Agreement from time to time as is necessary or advisable for compliance with the requirements of the HIPAA Rules. Notwithstanding the foregoing, this Agreement shall be deemed amended automatically to the extent any provisions of the Act or the HIPAA Rules not addressed herein become applicable to Business Associate during the term of this Agreement pursuant to and in accordance with any subsequent modification(s) or official and binding legal clarification(s), to the Act or the HIPAA Rules.

7.5 Interpretation. Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.
THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS BUSINESS ASSOCIATE AGREEMENT.

Such headings or captions do not define, describe, extend, or limit the scope or intent of this Contract.

1.8 **Severability:** If any provision of this Contract is determined by a court of competent jurisdiction to be invalid, unenforceable, or contrary to law, such determination shall not affect the legality or validity of any other provisions. The illegal or invalid provision will be deemed stricken and deleted to the same extent and effect as if it were never incorporated into this Contract, but all other provisions will remain in full force and effect.

1.9 **Inducements:** In making the award of this Contract, MCHCP relies on FIRM’s assurances of the following:

- AC is an established company that provides actuarial and health plan management consulting services for self-insured health plans and/or employers.
- AC, including its subcontractors, has the skills, qualifications, expertise, financial resources and experience necessary to perform the services described in the RFP, AC’s proposal, and this Contract, in an efficient, cost-effective manner, with a high degree of quality and responsiveness, and has performed similar services for other public or private entities.
- AC has thoroughly reviewed, analyzed, and understood the RFP, has timely raised all questions or objections to the RFP, and has had the opportunity to review and fully understand MCHCP’s current offerings and operating environment for the activities that are the subject of this Contract and the needs and requirements of MCHCP during the contract term.
- AC has had the opportunity to review and fully understand MCHCP’s stated objectives in entering into this Contract and, based upon such review and understanding, AC currently has the capability to perform in accordance with the terms and conditions of this Contract.
- AC has also reviewed and understands the risks associated with providing actuarial and health plan management consultant services for a self-insured health benefits program as described in the RFP, including the risk of non-appropriation of state funds.

Accordingly, on the basis of the terms and conditions of this Contract, MCHCP desires to engage AC to perform the services described in this Contract under the terms and conditions set forth in this Contract.

1.10 **Industry Standards:** If not otherwise provided, materials or work called for in this Contract shall be furnished and performed in accordance with best established practice and standards recognized by the contracted industry and comply with all codes and regulations which shall apply.

1.11 **Force Majeure:** Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the
requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, and strikes other than by AC’s or its subcontractors’ employees.

1.12 **Breach and Waiver:** Waiver or any breach of any Contract term or condition shall not be deemed a waiver of any prior or subsequent breach. No Contract term or condition shall be held to be waived, modified, or deleted except by a written instrument signed by the parties. If any Contract term or condition or application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, condition or application. To this end, the Contract terms and conditions are severable.

1.13 **Independent Contractor:** AC represents itself to be an independent contractor offering such services to the general public and shall not represent itself or its employees to be an employee of MCHCP. Therefore, AC hereby assumes all legal and financial responsibility for taxes, FICA, employee fringe benefits, worker’s compensation, employee insurance, minimum wage requirements, overtime, etc. and agrees to indemnify, save, and hold MCHCP, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters. AC assumes sole and full responsibility for its acts and the acts of its personnel.

1.14 **Relationship of the Parties:** This Contract does not create a partnership, franchise, joint venture, agency, or employment relationship between the parties.

1.15 **No Implied Authority:** The authority delegated to AC by MCHCP is limited to the terms of this Contract. MCHCP is a statutorily created body corporate multi-employer group health plan and trust fund designated by the Missouri Legislature to administer health care services to eligible State of Missouri and public entity employees, and no other agency or entity may grant AC any authority related to this Contract except as authorized in writing by MCHCP. AC may not rely upon implied authority, and specifically is not delegated authority under this Contract to:

- Make public policy;
- Promulgate, amend, or disregard administrative regulations or program policy decisions made by MCHCP; and/or
- Unilaterally communicate or negotiate with any federal or state agency, the Missouri Legislature, or any MCHCP vendor on behalf of MCHCP regarding the services included within this Contract.

1.16 **Third Party Beneficiaries:** This Contract shall not be construed as providing an enforceable right to any third party.

1.17 **No Increase in Charges:** All prices are fixed firm rates once negotiated and mutually agreed upon.

1.18 **Injunction:** Should MCHCP be prevented or enjoined from proceeding with this Contract before or after contract execution by reason of any litigation or other reason beyond the control of MCHCP, AC shall not be entitled to make or assess claim for damage by reason of said delay.
1.19 **Statutes:** Each and every provision of law and clause required by law to be inserted or applicable to the services provided in this Contract shall be deemed to be inserted herein and this Contract shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then on the application of either party the Contract shall be amended to make such insertion or correction.

1.20 **Governing Law:** This Contract shall be governed by the laws of the State of Missouri and shall be deemed executed at Jefferson City, Cole County, Missouri. All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Missouri.

1.21 **Jurisdiction:** All legal proceedings arising hereunder shall be brought in the Circuit Court of Cole County in the State of Missouri.

1.22 **Acceptance:** No contract provision or use of items by MCHCP shall constitute acceptance or relieve AC of liability in respect to any expressed or implied warranties.

1.23 **Survival of Terms:** Termination or expiration of this Contract for any reason will not release either party from any liabilities or obligations set forth in this Contract that: (i) the parties expressly agree will survive any such termination or expiration; or (ii) remain to be performed or by their nature would be intended to apply following any such termination or expiration.

2 **AC’s Obligations**

2.1 **Confidentiality:** AC will have access to private and/or confidential data maintained by MCHCP to the extent necessary to carry out its responsibilities under this Contract. No private or confidential data received, collected, maintained, transmitted, or used in the course of performance of this Contract shall be disseminated by AC except as authorized by MCHCP, either during the period of this Contract or thereafter. AC must agree to return any or all data furnished by MCHCP promptly at the request of MCHCP in whatever form it is maintained by AC. On the termination or expiration of this Contract, AC will not use any of such data or any material derived from the data for any purpose and, where so instructed by MCHCP, will destroy or render it unreadable. AC may retain archival copies of confidential data in accordance with its record retention policies and procedures with respect to back-up media for which selective deletion of files or data is not feasible and in order to enable AC to comply with its professional standards requirements and substantiate its work in the event of a dispute.

2.2 **Subcontracting:** Subject to the terms and conditions of this section, this Contract shall be binding upon the parties and their respective successors and assigns. AC shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of MCHCP. AC may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of MCHCP. AC agrees that any and all subcontracts entered into by AC for the purpose of meeting the requirements of this Contract are the responsibility of AC. MCHCP will hold AC responsible for assuring that subcontractors meet all the requirements of this Contract and all amendments thereto. AC must provide complete information regarding each subcontractor used by AC to meet the requirements of this Contract.
2.3 Disclosure of Material Events: AC agrees to immediately disclose any of the following to MCHCP to the extent allowed by law for publicly traded companies:

- Any material adverse change to the financial status or condition of AC;
- Any merger, sale or other material change of ownership of AC;
- Any conflict of interest or potential conflict of interest between AC’s engagement with MCHCP and the work, services or products that AC is providing or proposes to provide to any current or prospective customer; and
- (1) Any material investigation of AC by a federal or state agency or self-regulatory organization; (2) Any material complaint against AC filed with a federal or state agency or self-regulatory organization; (3) Any material proceeding naming AC before any federal or state agency or self-regulatory organization; (4) Any material criminal or civil action in state or federal court naming AC as a defendant; (5) Any material fine, penalty, censure or other disciplinary action taken against AC by any federal or state agency or self-regulatory organization; (6) Any material judgment or award of damages imposed on or against AC as a result of any material criminal or civil action in which AC was a party; or (7) Any other matter material to the services rendered by AC pursuant to this Contract.

For the purposes of this paragraph, “material” means of a nature or of sufficient monetary value, or concerning a subject which a reasonable party in the position of and comparable to MCHCP would consider relevant and important in assessing the relationship and services contemplated by this Contract. It is further understood in that in fulfilling its ongoing responsibilities under this paragraph, AC is obligated to make its best faith efforts to disclose only those relevant matters which to the attention of or should have been known by AC’s personnel involved in the engagement covered by this Contract and/or which come to the attention of or should have been known by any individual or office of AC designated by AC to monitor and report such matters.

Upon learning of any such actions, MCHCP reserves the right, at its sole discretion, to terminate this Contract.

2.4 Off-shore Services: All services under this Contract shall be performed within the United States. AC shall not perform, or permit subcontracting of services under this Contract, to any off-shore companies or locations outside of the United States. Any such actions shall result in AC being in breach of this Contract.

2.5 Change in Laws: AC agrees that any state and/or federal laws and applicable rules and regulations enacted during the terms of the contract which are deemed by MCHCP to necessitate a change in the contract shall be incorporated into the contract automatically. MCHCP will review any request for additional fees resulting from such changes and retains final authority to make any changes. A consultant may be utilized to determine the cost impact. All changes will be mutually agreed upon and reduced to writing.
2.6 Compliance with Laws: AC shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of this Contract, including but not limited to the provisions listed below.

2.6.1 Non-discrimination, Sexual Harassment and Workplace Safety: AC agrees to abide by all applicable federal, state and local laws, rules and regulations prohibiting discrimination in employment and controlling workplace safety. AC shall establish and maintain a written sexual harassment policy and shall inform its employees of the policy. AC shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor. Any violations of applicable laws, rules and regulations may result in termination of the Contract.
