2 **Audit Company’s Obligations**

5.1.1.1 Claims Pricing (Discount) Accuracy Review, which requires analyzing 100 percent of the claims incurred in the time period of the audit to confirm pricing accuracy.
5.1.1.1 Audit Company must request paid claims data from ESI covering the time period of the audit, and aggregate the discounts achieved for both brand name drugs and generic drugs.

5.1.1.2 Audit Company must investigate whether the proper adjudication logic, as outlined in MCHCP’s contract with ESI, was selected for all claims.

5.1.1.3 The aggregated discounts will then be compared to the contract guarantees to determine the degree to which ESI met, exceeded, or fell short of the threshold. To the extent a shortfall is identified, Audit Company will identify the amount of the shortage and work directly with ESI to true-up any refund to MCHCP for 2016 claims, and provide year-to-date results for 2017. Audit Company shall also review for proper categorization of drugs used to determine discounts; i.e. test for characterization shifting from generic to brand which may have inflated discounts. Audit Company shall analyze and test the dispensing fees against contractual guaranteed amounts.

5.1.1.2 Benefit Design Accuracy Review, which requires analyzing claims for each time period to validate application of plan benefits.

5.1.1.3 Rebate Review, which requires identification of the top five (5) manufacturers and comparing the rebates credited to MCHCP under each manufacturer’s contract with ESI for the two calendar quarters during the twelve month period immediately preceding the audit. The contractor will also confirm that the manufacturer administrative fees were passed one hundred percent to MCHCP.

5.2 DELIVERABLES AND TIMING: Audit Company shall provide a comprehensive, detailed written report to include the methodology used and reports outlining all discrepancies and calculating the appropriate monetary recoupments. This will be provided to MCHCP staff prior to submission to the audited entity to ensure compliance with the scope of the audit.

5.2.1 Draft Report

5.2.1.1 Audit Company shall provide a comprehensive, detailed written report to include the methodology used, the claims and performance review findings, and recommendations to MCHCP staff prior to submission to the audited entity (ESI) to ensure compliance with the scope of the audit.

5.2.1.2 Format of Draft Final Report: (Audit Company and MCHCP will mutually agree on the format of the final report following contract award.)

5.2.2 Final Report - The contractor shall travel to MCHCP to present the draft report to the MCHCP Board of Trustees. MCHCP will not reimburse separately for travel expenses. Upon approval by the Board of Trustees, the reports shall be considered final.
5.3 Timeline of Audit and Deliverables <<<<Details will be inserted according to winning project plan>>>>.

5.4 Audit Company bound by MCHCP’s Duties: In carrying our MCHCP’s mandate under the law, MCHCP is bound by various statutory, regulatory and fiduciary duties and responsibilities and Audit Company expressly agrees that it shall accept and abide by such duties and responsibilities when acting on behalf of MCHCP pursuant to this engagement.

5.5 Electronic Transmission Protocols: Audit Company and all subcontractors will maintain encryption standards of 2048 bit encryption or greater for RSA key pairs and 256 bit session key strength for the encryption of confidential information for transmission over public communication infrastructure. Batch transfers of files will be performed using SFTP or FTPS with similar standards and refined as needed to best accommodate provider configurations (i.e. port assignment, access control, etc.).

6 CANCELLATION, TERMINATION OR EXPIRATION

This contract will terminate upon full performance of all requirements contained in the Contract, unless extended or terminated sooner under the terms of the contract.

6.1 MCHCP’s rights Upon Termination or Expiration of Contract: If this Contract is terminated, MCHCP, in addition to any other rights provided under this Contract, may require Audit Company to transfer title and deliver to MCHCP in the manner and to the extent directed, any completed materials. MCHCP shall be obligated only for those services and materials rendered and accepted prior to termination.

6.2 Termination for Cause: MCHCP may terminate this Contract, or any part of this Contract, for cause under any one of the following circumstances: 1) Audit Company fails to make delivery of goods or services as specified in this Contract; 2) Audit Company fails to satisfactorily perform the work specified in this Contract; 3) Audit Company fails to make progress so as to endanger performance of this Contract in accordance with its terms; 4) Audit Company breaches any provision of this Contract; 5) Audit Company assigns this Contract without MCHCP’s approval; or 6) Insolvency or bankruptcy of Audit Company. MCHCP shall have the right to terminate this Contract, in whole or in part, if MCHCP determines, at its sole discretion that one of the above listed circumstances exists. In the event of termination, Audit Company shall receive payment prorated for that portion of the contract period services were provided to and/or goods were accepted by MCHCP, subject to any offset by MCHCP for actual damages including loss of any federal matching funds. Audit Company shall be liable to MCHCP for any reasonable excess costs for such similar or identical services included within the terminated part of this Contract.

6.3 Termination Right: Notwithstanding any other provision, MCHCP reserves the right to terminate this Contract by giving Audit Company thirty (30) days prior notice of termination.

6.4 Termination by Mutual Agreement: The parties may mutually agree to terminate this Contract or any part of this Contract at any time. Such termination shall be in writing and shall be effective as of the date specified in such agreement.

6.5 Arbitration, Damages, Warranties: Notwithstanding any language to the contrary, no interpretation shall be allowed to find MCHCP has agreed to binding arbitration, or the
payment of damages or penalties upon the occurrence of a contingency. Further, MCHCP shall not agree to pay attorney fees and late payment charges beyond those available under this Contract, and, if applicable, no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

6.6 Rights and Remedies: If this Contract is terminated, MCHCP, in addition to any other rights provided for in this Contract, may require Audit Company to deliver to MCHCP in the manner and to the extent directed, any completed materials. In the event of termination, Audit Company shall receive payment prorated for that portion of the contract period services were provided to and/or goods were accepted by MCHCP subject to any offset by MCHCP for actual damages. The rights and remedies of MCHCP provided for in this Contract shall not be exclusive and are in addition to any other rights and remedies provided by law.

3.4 Reports to MCHCP. Business Associate agrees to report any use or disclosure of PHI not authorized or provided for by this Agreement, including breaches of unsecured PHI and any security incident involving MCHCP to MCHCP in accordance with the notice provisions prescribed in this Section 3.4. For purposes of the security incident reporting requirement, the term “security incident” shall not include inconsequential incidents that occur on a daily basis, such as scans, “pings,” or other unsuccessful attempts to penetrate computer networks or servers containing ePHI maintained or transmitted by Business Associate.
3.4.1 The notice shall be delivered to, and confirmed received by, MCHCP without unreasonable delay, but in any event no later than three (3) business days of Business Associate’s first discovery, as discovery is described under § 164.410, of the unauthorized use or disclosure, breach of unsecured PHI, or security incident.

3.4.3 The notice shall include to the fullest extent possible:

a) a detailed description of what happened, including the date, time, and all facts and circumstances surrounding the unauthorized use or disclosure, breach of unsecured PHI, or security incident;

3.4.5 Business Associate further agrees to provide additional information upon and as reasonably requested by MCHCP; and to take any additional steps MCHCP reasonably deems necessary or advisable to comply with MCHCP’s obligations as a covered entity under the HIPAA Rules.

3.4.6 Business Associate expressly acknowledges the presumption of breach with respect to any unauthorized acquisition, access, use, or disclosure of PHI, unless Business Associate is able to demonstrate otherwise in accordance with § 164.402(2), in which case, Business Associate agrees to fully document its assessment and all factors considered and provide MCHCP no later than ten (10) calendar days following Business Associate’s discovery with its complete written risk assessment, conclusion reached, and all documentation supporting a conclusion that the unauthorized acquisition, access, use, or disclosure of PHI presents a low probability that PHI has been compromised.

3.4.7 The parties agree to work together in good faith, making every reasonable effort to reach consensus regarding whether a particular circumstance constitutes a breach or otherwise warrants notification, publication, or reporting to any affected individual, government body, or the public and also the appropriate means and content of any notification, publication, or report. Notwithstanding the foregoing, all final decisions involving questions of breach of PHI shall be made by MCHCP, including whether a breach has occurred, and any notification, publication, or public reporting required or reasonably advisable under the HIPAA Rules and MCHCP’s Notice of Privacy Practices based on all objective and verifiable information provided to MCHCP by Business Associate under this Section 3.4.

3.4.8 Business Associate agrees to bear all reasonable and actual costs associated with any notifications, publications, or public reports relating to breaches by Business Associate, any subcontractor of Business Associate, and any employee or workforce member of Business Associate and/or its subcontractors, as MCHCP deems necessary or advisable.

3.5 Confidential Communications. Business Associate agrees it will promptly implement and honor individual requests to receive PHI by alternative means or at an alternative location provided such
request has been directed to and approved by MCHCP in accordance with § 164.522(b) applicable to covered entities. If Business Associate receives a request for confidential communications directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual’s request, to MCHCP so that MCHCP can assess, accommodate, and coordinate reasonable requests of this nature in accordance with the HIPAA Rules and prepare a timely response to the individual.

3.6 **Individual Access to PHI.** If an individual requests access to PHI under § 164.524, Business Associate agrees it will make all PHI about the individual which Business Associate created or received for or from MCHCP that is in Business Associate’s custody or control available in a designated record set to MCHCP or, at MCHCP’s direction, to the requesting individual or his or her authorized designee, in order to satisfy MCHCP’s obligations as follows:

3.6.1 If Business Associate receives a request for individual PHI in a designated record set from MCHCP, Business Associate will provide the requested information to MCHCP within five (5) business days from the date of the request in a readily accessible and readable form and manner or as otherwise reasonably specified in the request.

3.6.2 If Business Associate receives a request for PHI in a designated record set directly from an individual current or former MCHCP member, Business Associate will require that the request be made in writing and will also promptly notify MCHCP that a request has been made verbally. If the individual submits a written request for PHI in a designated record set directly to Business Associate, no later than five (5) business days thereafter, Business Associate shall provide MCHCP with: (i) a copy of the individual’s request to MCHCP for purposes of determining an appropriate response to the request; (ii) the designated record sets in Business Associate’s custody or control that are subject to access by the requesting individual(s) requested in the form and format requested by the requestors; and (iii) the titles of the persons or offices responsible for receiving and processing requests for access by individual(s). MCHCP will direct Business Associate in writing within five (5) business days following receipt of the information described in (i), (ii), and (iii) of this subsection 3.6.2 whether Business Associate should send the requested designated data set directly to the individual or whether MCHCP will forward the information received from Business Associate as part of a coordinated response or if for any reason MCHCP deems the response should be sent from MCHCP or another Business Associate acting on behalf of MCHCP. If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form; and (ii) the designated record sets in Business Associate’s custody or control that are subject to access by the requesting individual(s) requested in the form and format requested by the requestors; and (iii) the titles of the persons or offices responsible for receiving and processing requests for access by individual(s). MCHCP will direct Business Associate in writing within five (5) business days following receipt of the information described in (i), (ii), and (iii) of this subsection 3.6.2 whether Business Associate should send the requested designated data set directly to the individual or whether MCHCP will forward the information received from Business Associate as part of a coordinated response or if for any reason MCHCP deems the response should be sent from MCHCP or another Business Associate acting on behalf of MCHCP. If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form or such other form and format as agreed to by Business Associate and the individual. Business Associate will provide MCHCP’s Privacy Officer with a copy of all responses sent to individuals pursuant to § 164.524 and the directives set forth in this subsection 3.6.2 for MCHCP’s compliance and documentation purposes.

3.7 **Amendments of PHI.** Business Associate agrees it will make any amendment(s) to PHI in a designated record set as directed or agreed to by MCHCP pursuant to § 164.526, and take other measures as necessary and reasonably requested by MCHCP to satisfy MCHCP’s obligations under § 164.526.
3.7.1 If Business Associate receives a request directly from an individual to amend PHI created by Business Associate, received from MCHCP, or otherwise within the custody or control of Business Associate at the time of the request, Business Associate shall promptly refer the individual to MCHCP’s Privacy Officer, and, if the request is in writing, shall forward the individual’s request three (3) business days to MCHCP’s Privacy Officer so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within seven (7) business days of receipt of MCHCP’s written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

3.8 PHI Disclosure Accounting. Business Associate agrees to document, maintain, and make available to MCHCP within seven (7) calendar days of a request from MCHCP for all disclosures made by or under the control of Business Associate or its subcontractors that are subject to accounting, including all information required, under § 164.528 to satisfy MCHCP’s obligations regarding accounting of disclosures of PHI.

3.8.1 If Business Associate receives a request for accounting directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual’s request, to MCHCP so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.8.2 In addition to the provisions of 3.8.1, all PHI accounting requests received by Business Associate directly from the individual shall be acted upon by Business Associate as a request from MCHCP for purposes of Business Associate’s obligations under this section. Unless directed by MCHCP to respond directly to the individual, Business Associate shall provide all accounting information subject to disclosure under § 164.528 to MCHCP within seven (7) calendar days of the individual’s request for accounting.

3.9 Privacy of PHI. Business Associate agrees to fully comply with all provisions of Subpart E of 45 CFR Part 164 that apply to MCHCP to the extent Business Associate has agreed or assumed responsibilities under the Contract or this Agreement to carry out one or more of MCHCP’s obligation(s) under 45 CFR Part 164 Subpart E.

3.10 Internal Practices, Books, and Records. Upon request of MCHCP or the Secretary, Business Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of MCHCP available to MCHCP and/or the Secretary in a time and manner designated by MCHCP or the Secretary for purposes of determining MCHCP’s and/or Business Associate’s compliance with the HIPAA Rules.
4 Permitted Uses and Disclosures of PHI by Business Associate.

4.1 Contractual Authorization. Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract, including but not limited to specific requirements set forth in the Scope of Work (as such term is defined in the Contract), as amended. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI which is required to provide the services specified in the Contract. The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.1.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate.

4.1.2 This Agreement permits Business Associate to combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities in order to provide MCHCP with such comprehensive, aggregate summary reports as specifically required by, or specially requested under, the Contract.

4.2 Authorization by Law. Business Associate may use or disclose PHI as permitted or required by law.

4.3 Minimum Necessary. Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.3.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate’s workforce who need access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.3.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.
4.3.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose if and when:

a) Making disclosures to public officials as permitted under § 164.512, if the public official represents that the information requested is the minimum necessary for the stated purpose(s); or

b) The information is requested by a professional who is a member of its workforce or is a business associate of MCHCP for the purpose of providing professional services to MCHCP, if the professional represents that the information requested is the minimum necessary for the stated purpose(s).

4.3.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required under, and made in accordance with, the HIPAA Rules.

5 **Obligations of MCHCP.**

5.1 **Notice of Privacy Practices.** MCHCP shall notify Business Associate of any limitation(s) that may affect Business Associate’s use or disclosure of PHI by providing Business Associate with MCHCP’s Notice of Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this Agreement.

5.2 **Individual Authorization Changes.** MCHCP shall notify Business Associate in writing of any changes in, or revocation of, the authorization by an individual to use or disclose his or her PHI, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.3 **Confidential Communications.** MCHCP shall notify Business Associate in writing of individual requests approved by MCHCP in accordance with § 164.522 to receive communications of PHI from Business Associate by alternate means or at alternative locations, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.4 **Individual Restrictions.** MCHCP shall notify Business Associate in writing of any restriction to the use or disclosure of PHI that MCHCP has agreed and, if applicable, any subsequent revocation or termination of such restriction, in accordance with § 164.522, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.5 **Permissible Requests by MCHCP.** MCHCP shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by MCHCP.
6 Term and Termination, Expiration, or Cancellation.

6.1 Term. This Agreement is effective upon signature of both parties, and shall terminate upon the termination, expiration, or cancellation of the Contract, as amended, unless sooner terminated for cause under subsection 6.2 below.

6.2 Termination. Without limiting MCHCP’s right to terminate the Contract in accordance with the terms therein, Business Associate also authorizes MCHCP to terminate this Agreement immediately by written notice and without penalty if MCHCP determines, in its sole discretion, that Business Associate has violated a material term of this Agreement and termination of this Agreement is in the best interests of MCHCP or its members. Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative or in addition to termination, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the time and manner specified by MCHCP based on the circumstances presented. With respect to this subsection, MCHCP’s remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

6.3 Obligations of Business Associate Upon Termination. Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP’s direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. All such PHI shall be securely transmitted in accordance with MCHCP’s written directive in electronic format accessible and decipherable by the MCHCP designated recipient. Following confirmation of receipt and usable access of the transmitted PHI by the MCHCP designated recipient, Business Associate shall destroy all MCHCP-related PHI and thereafter retain no copies in any form for any purpose whatsoever. Within seven (7) business days following full compliance with the requirements of this subsection, an authorized representative of Business Associate shall certify in writing addressed to MCHCP’s Privacy and Security Officers that Business Associate has fully complied with this subsection and has no possession, control, or access, directly or indirectly, to MCHCP-related PHI from any source whatsoever.

Notwithstanding the foregoing, Business Associate may maintain MCHCP-PHI after the termination of this Agreement to the extent return or destruction of the PHI is not feasible, provided Business Associate: (i) refrains from any further use or disclosure of the PHI; (ii) continues to safeguard the PHI thereafter in accordance with the terms of this Agreement; (iii) does not attempt to de-identify the PHI without MCHCP’s prior written consent; and (iv) within seven (7) days following full compliance of the requirements of this subsection, provides MCHCP written notice describing all PHI maintained by Business Associate and certification by an authorized representative of Business Associate of its agreement to fully comply with the provisions of this paragraph.

6.4 Survival. All obligations and representations of Business Associate under this Section 6 and subsection 7.2 shall survive termination, expiration, or cancellation of the Contract and this Agreement.
7 Miscellaneous.

7.1 Satisfactory Assurance. Business Associate expressly acknowledges and represents that execution of this Agreement is intended to, and does, constitute satisfactory assurance to MCHCP of Business Associate’s full and complete compliance with its obligations under the HIPAA Rules. Business Associate further acknowledges that MCHCP is relying on this assurance in permitting Business Associate to create, receive, maintain, use, disclose, or transmit PHI as described herein.

7.2 Indemnification. Each party shall, to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the other party and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of such party or any subcontractor, consultant, or workforce member of such party to the extent such acts or omissions violate the terms of this Agreement or the HIPAA Rules as applied to the Contract.

Notwithstanding the foregoing, if Business Associate maintains any MCHCP-related PHI following termination of the Contract and this Agreement pursuant to subsection 6.3, Business Associate shall be solely responsible for all PHI it maintains and, to the fullest extent permitted by law, Business Associate shall protect, defend, indemnify and hold harmless MCHCP and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of Business Associate or any subcontractor, consultant, or workforce member of Business Associate regarding such PHI to the extent such acts or omissions violate the terms of the Act or the HIPAA Rules.

7.3 No Third Party Beneficiaries.
