SECTION B
SCOPE OF WORK

B1. GENERAL REQUIREMENTS

B1.1 The contractor shall provide a web-based Procurement and Vendor Management Solution for Missouri Consolidated Health Care Plan (herein referred to as MCHCP) in accordance with the provisions and requirements of this document. The contractor agrees that any and all subcontracts entered into by the contractor for the purpose of meeting the requirements of this contract are the responsibility of the contractor. MCHCP will hold the contractor responsible for assuring that subcontractors meet all of the requirements of this contract and all amendments thereto.

B1.2 The contractor will be expected to assist MCHCP staff on a regular basis and in a timely manner to provide expert guidance regarding technical problems or issues that may arise.

B1.3 All provisions included in this Scope of Work are considered to be minimum requirements, and contractor must meet or exceed these stated specifications and requirements.

B2. PROCUREMENT/REQUEST FOR PROPOSAL SOLUTION

B2.1 The proposed solution must incorporate an on-line, real-time RFP system that allows MCHCP staff to create, manage, and evaluate responses submitted on-line by bidders.

B2.2 The system must have a complete audit trail that includes retention of all revisions to RFP content.

B2.3 The application must allow MCHCP to create a team of MCHCP staff that will be allowed to access particular RFP events. Additionally, the system must allow various permissions to be granted to each team member (i.e. read only, create, delete, etc.).

B2.4 The proposed solution must allow communication between MCHCP and potential bidders through an on-line messaging system. The messaging system must be included within the product itself, and messages must be maintained in the specific RFP event. The messaging system must allow for one-on-one communication with a particular bidder, or communication with all bidders.

B2.5 The proposed solution must allow weighting of individual questions within the RFP questionnaire.

B2.6 The proposed solution must allow for character limits on RFP questionnaire responses.

B2.7 The proposed solution must allow bidders to upload supporting response documents of various file types (e.g., .pdf, .xlsx, .docx, etc).

B2.8 The application must be able to grant bidder access to certain documents at varying intervals. As an example, access to certain files would not be granted until a required document had been submitted.

B2.9 The system must automatically “lock down” at the proposal submission deadline without manual intervention by MCHCP. Once the proposal deadline has passed, bidders would not be
able to make any modifications to their proposal submission unless it is “unlocked” by MCHCP staff.

B2.10 The application must allow for proposal evaluation through side-by-side proposal comparison reports, whereby each bidder’s response can be compared on a question level. Additionally, standard pricing comparison reports must also be available. These reports must be standard within the system, require limited set-up by MCHCP staff, and must be exportable to Microsoft Excel.

B2.11 The proposed solution must allow MCHCP to establish scoring rules for certain questions and allow automated scoring of questionnaire responses. The solution must also allow staff to override automatic scoring and accept subsequent scoring edits as necessary.

B2.12 Access to the system for submitting proposals must be at no cost to potential bidders.

B2.13 The contractor shall provide sufficient training and support opportunities to potential bidders at no cost.

B2.14 The contractor must provide a “readiness review” for each RFP that MCHCP develops. This shall consist of the contractor reviewing the content to assure proper set-up by MCHCP staff.

B2.15 MCHCP procurement procedures do not allow MCHCP to view RFP submissions prior to the proposal submission deadline. Therefore, MCHCP staff shall not have the ability to view bidder-specific progress, documents, responses or any other bid-related materials prior to the RFP close date. Consequently, the contractor must provide a “proctor” to monitor each RFP event while it is open. This includes serving as a liaison between potential bidders and MCHCP, monitoring communication submitted by potential bidders, forwarding any questions submitted by bidders to MCHCP for response, and forwarding MCHCP’s response to questions to the appropriate bidder(s).

B2.16 Once proposals are submitted, the system must allow for negotiations with finalists. This includes allowing the pricing option(s) to be re-opened while still retaining the original pricing submission.

B3. DOCUMENT MANAGEMENT

B3.1 The system shall allow assorted documents to be stored on the contractor’s on-line secure server. The application must provide access to stored documents to MCHCP staff, and allow staff to add, view, edit, and create documents to be stored.

B3.2 The system must be flexible in allowing MCHCP staff to organize stored documents in a manner that is most efficient for MCHCP. This includes documents not created in the contractor’s system such as generic Word and Excel documents.

B3.3 The system must allow MCHCP to grant various permission levels to staff, such as read-only, create, delete, etc.

B3.4 The system must allow MCHCP staff to copy, move, and delete files from the document management system.
B3.5 The system must include a search function that allows the user to search by file name, status, date, document type, etc.

B3.6 The system must maintain a complete history and audit trail of each document, allowing MCHCP staff to view previous versions of the document.

B3.7 The contractor must provide access to RFP templates that MCHCP may modify to meet its needs. These templates must include sample pricing models, sample plan designs, and sample questionnaires for a variety of RFPs, including those listed in Section A3.6.

B4. VENDOR MANAGEMENT

B4.1 The proposed solution must include a vendor management module that allows MCHCP to track performance guarantees for each contractor in an on-line environment.

B4.2 The system must allow MCHCP to set up a tracking form for each contractor’s performance guarantees, and allow MCHCP’s staff and contractors to submit their performance metrics online at various MCHCP-defined intervals (i.e. quarterly and/or annually).

B4.3 The solution must include an embedded communication system that allows vendors to submit questions and MCHCP to provide responses.

B4.4 The system must allow MCHCP to establish performance penalties within the system and to calculate those penalties.

B4.5 The system must automatically “lock down” when the submission deadline has passed, and must be able to be “unlocked” by MCHCP staff if necessary.

B4.6 The system must include standard reporting that allows MCHCP staff to evaluate vendor performance. These reports must be standard within the system, require limited set-up by MCHCP staff, and must be exportable to Microsoft Excel.

B5. IMPLEMENTATION AND TRAINING

B5.1 The contractor must establish an implementation schedule that is agreeable to MCHCP. MCHCP expects to release the first RFP of 2019 mid-January, 2019. Non-incumbents should provide a proposed implementation plan in response to Question E.2.3.

B5.2 The contractor must provide training on the system no later than early-January, 2019. MCHCP prefers to be trained at MCHCP’s offices in Jefferson City, Missouri. The cost of this on-site training should be listed separately on Exhibit A of the pricing page.

B6. CONTRACT TERMINATION AND TRANSITION

B6.1 The contractor shall agree that MCHCP owns all MCHCP-specific data housed on the contractor’s system.

B6.2 At contract termination, the contractor shall agree to work with any new contractor to transfer the MCHCP data and information to the new contractor’s system, and transition must be completed within 30 days of contract termination. This may include releasing information directly to MCHCP and/or the new contractor should this agreement be terminated.

Any and all communication from bidders regarding specifications,
requirements, competitive procurement process, or any other RFP-related matter must be emailed to MCHCP as indicated on the first page of the RFP. Such communication should be received no later than the date noted in Section A.

Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. This is upon condition that MCHCP shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, MCHCP may participate in or choose to conduct, in its sole discretion, the defense of any such action. Contractor shall indemnify and hold MCHCP harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or MCHCP may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of this Contract. If any of the products provided by Contractor in such suit or proceeding are held to constitute infringement and the use is enjoined, Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no longer infringing. If Contractor is unable to do any of the preceding, Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of MCHCP, only those items of equipment or software which are held to be infringing, and to pay MCHCP: 1) any amounts paid by MCHCP towards the purchase of the product, less straight line depreciation; 2) any license fee paid by MCHCP for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee presenting the time remaining in any period of maintenance paid for. It is further understood that in fulfilling its ongoing responsibilities under this paragraph, Contractor is obligated to make its best faith efforts to disclose only those relevant matters which to the attention of or should have been known by Contractor's personnel involved in the engagement covered by this Contract and/or which come to the attention of or should have been known by any individual or office of Contractor designated by Contractor to monitor and report such matters. D1.2 The bidder must respond to this RFP by submitting all data required herein in order for his/her proposal to be evaluated and considered for award. Failure to submit such data shall be deemed sufficient cause for disqualification of a proposal from further consideration for award.

D1.3 A signed and submitted proposal assumes that the bidder agrees with all provisions of the RFP unless specifically stated otherwise. Any and all exceptions or proposed deviations by the bidder from the RFP and its requirements must be stated in Exhibit B and submitted with the proposal.

D1.4 Proposals must be valid until December 31, 2018. If a contract is awarded, CY2019 prices shall remain firm.

D1.7 Bidders must sign and return the RFP signature page or, if applicable, the signature page of the last amendment thereto, in order to constitute acceptance by the bidder of all RFP terms and

D2.1 It is assumed that bidders have read the entire RFP prior to the submission of a signed proposal and submission of a signed proposal indicates that the bidder will meet all requirements stated herein.

D2.2 Unless otherwise noted, any and all questions regarding specifications, requirements, competitive procurement process, etc., must be in writing and directed by email to rfp@mchcp.org no later than the deadline as indicated on the first page of this RFP. There will be no bidder’s conference.

D2.3 The bidder is advised that the only official position of MCHCP is that position which is stated in writing and issued by MCHCP in the RFP and any amendments or clarifications thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.

D3. EVALUATION PROCESS

D3.1 Any clerical error, apparent on its face, may be corrected by the bidder before contract award. Upon discovering an apparent clerical error, MCHCP shall contact the bidder and request written clarification of the intended proposal. The correction shall be made in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.

D3.3 To be eligible to receive an award, the bidder must comply with all mandatory specifications and requirements of the RFP. MCHCP reserves the right to evaluate all offers and, based upon that evaluation, to reject all offers.

D3.4 MCHCP reserves the right to request written clarification of any portion of the bidder’s response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response shall be subject to acceptance or rejection without further clarification.

D3.5 After determining that a proposal satisfies the mandatory requirements stated in the RFP, the comparative assessment of the relative benefits and deficiencies of the proposal in relationship to the published evaluation criteria shall be made by MCHCP. The award of a contract resulting from this RFP shall be based on the lowest and best proposal received in accordance with the evaluation criteria stated below:
**Evaluation Criteria:**

MCHCP will limit the number of finalists to the bidders receiving 85 percent (51 points) of the possible 60 non-financial points available or the top two bidders if less than two bidders receive 85 percent of the possible 60 non-financial points.

The bidder’s proposed participation of MBE/WBE firms in meeting the targets of the RFP will be considered in the evaluation process. A maximum of MBE/WBE participation points of 10 points will be awarded based on the participation amount proposed by the bidder. Awarded MBE/WBE participation points will be added to the non-financial points earned by the bidder and will be included to determine if a bidder meets the 85 percent threshold to obtain finalist status.

**Minority Business Enterprise (MBE)/Women Business Enterprise (WBE) Participation**

The bidder should secure participation of certified MBEs and WBEs in provider products/services required in this RFP. The targets of participation recommended by the State of Missouri are 10 percent MBE and 5 percent WBE of the total dollar value of the contract.

a) These targets can be met by a qualified MBE/WBE vendor themselves and/or through the use of qualified subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful opportunities for MBE/WBE participation.

b) The services performed or the products provided by MBE/WBEs must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by MBE/WBEs is utilized, to any extent, in the bidder’s obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.

c) In order to be considered as meeting these targets, the MBE/WBEs must be “qualified” by the proposal opening date (date the proposal is due). See below for a definition of a qualified MBE/WBE.

d) If the bidder is proposing MBE/WBE participation, in order to receive evaluation consideration for MBE/WBE participation, the bidder must provide the following information with the proposal.
a. Participation Commitment - If the bidder is proposing MBE/WBE participation, the vendor must complete Section E6 of the Questionnaire (MBE-WBE Participation Commitment), by listing each proposed MBE and WBE, the committed percentage of participation for each MBE and WBE, and the commercially useful products/services to be provided by the listed MBE and WBE. If the vendor submitting the proposal is a qualified MBE and/or WBE, the vendor must include the vendor in the appropriate table on the Participation Commitment Form.

b. Documentation of Intent to Participate – The bidder must either provide a properly completed Exhibit D, Documentation of Intent to Participate Form, signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed or must provide a letter of intent signed and dated no earlier than the RFP issuance date by each MBE and WBE proposed which: (1) must describe the products/services the MBE/WBE will provide and (2) should include evidence that the MBE/WBE is qualified, as defined herein (i.e., the MBE/WBE Certification Number or a copy of MBE/WBE certificate issued by the Missouri OEO). If the bidder submitting the proposal is a qualified MBE and/or WBE, the bidder is not required to complete Exhibit D, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

e) Commitment – If the bidder’s proposal is awarded, the percentage level of MBE/WBE participation committed to by the bidder on Exhibit D, Participation Commitment, shall be interpreted as a contractual requirement.

Definition -- Qualified MBE/WBE:

D3.6 MCHCP reserves the right to consider historic information and fact, whether gained from the bidder’s proposal, question and answer conference, references, product demonstration, site visit or any other source, in the evaluation process.
D3.7 The bidder is cautioned that it is the bidder's sole responsibility to submit information related to the evaluation categories and that MCHCP is under no obligation to solicit such information if it is not included with the bidder's proposal. Failure of the bidder to submit such information may cause an adverse impact on the evaluation of the bidder's proposal.

D3.8 The bidder is advised that under the provisions of this RFP, MCHCP reserves the right to conduct negotiations of the proposals received or to award a contract without negotiations. If such negotiations are conducted, the following conditions shall apply:

- Negotiations may be conducted in person, in writing, or by telephone.
- Negotiations will only be conducted with potentially acceptable proposals. MCHCP reserves the right to limit negotiations to those proposals which received the highest rankings during the initial evaluation phase. All bidders involved in the negotiation process will be invited to submit a best and final offer.
- Terms, conditions, prices, methodology, or other features of the bidder’s proposal may be subject to negotiation and subsequent revision. As part of the negotiations, the bidder may be required to submit supporting financial, pricing, and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the proposal.
- The mandatory requirements of the RFP shall not be negotiable and shall remain unchanged unless MCHCP determines that a change in such requirements is in the best interest of MCHCP and its members.
- Bidder understands that the terms of any negotiation are confidential until an award is made or all proposals are rejected.

D3.9 After an initial screening process, a technical question and answer conference, interview or product demonstration may be conducted, if deemed necessary by MCHCP, to clarify or verify the bidder's proposal and to develop a comprehensive assessment of the proposal.

D4. CONTRACT AWARD

D4.1 Any award of a contract resulting from this RFP will be made only by written authorization from MCHCP.

D5. PRICING

D5.1 The bidder must utilize Exhibit A to provide a firm, fixed pricing arrangement for CY2019.

D5.2 Pricing points will be based on the full 2019-2023 pricing submitted on Exhibit A, along with the cost per RFP for “proctoring” RFPs as described in Section B2.15. For the purpose of awarding pricing points, MCHCP will assume three (3) RFPs will be proctored per year.

D5.3 The bidder shall agree that annual pricing arrangements will be negotiated, but any increase in cost to MCHCP for Years 2-5 (CY2020 through CY2023) will not exceed the pricing arrangements provided by the bidder on Exhibit A. Years 2-5 are renewable at the sole option of MCHCP.

D5.4 Any cost and/or pricing data submitted or related to the bidder’s proposal including any cost and/or pricing data related to contractual extension options, whether required or voluntary, shall be subject to evaluation if deemed by MCHCP to be in the best interests of MCHCP.
D6. CONFIDENTIALITY AND PROPRIETARY MATERIALS

D6.1 Pursuant to Section 610.021 RSMo, proposals and related documents shall not be available for public review until a contract has been awarded or all proposals are rejected. MCHCP maintains copies of all proposals and related documents.

D6.2 MCHCP is a governmental body under Missouri Sunshine Law (Chapter 610 RSMo). Section 610.011 requires that all provisions be “liberally construed and their exceptions strictly construed to promote” the public policy that records are open unless otherwise provided by law. Regardless of any claim by a bidder as to material being proprietary and not subject to copying or distribution, or how a bidder characterizes any information provided in its proposal, all material submitted by the bidder in conjunction with the RFP is subject to release after the award of a contract in relation to a request for public records under the Missouri Sunshine Law (see Chapter 610 of the Missouri Revised Statutes). Only information expressly permitted by the provisions of Missouri’s Sunshine Law to be closed – strictly construed – will be redacted by MCHCP from any public request submitted to MCHCP after an award is made. Bidders should presume information provided to MCHCP in a proposal will be public following the award of the bid and made available upon request in accordance with the provisions of state law.

This Business Associate Agreement (“Agreement”) between the Missouri Consolidated Health Care Plan (hereinafter “Covered Entity” or “MCHCP”) and Vendor Name (hereinafter “Business Associate”) is entered into as a result of the business relationship between the parties in connection with services requested and performed in accordance with the 2019 Procurement Solution RFP (“RFP”) and under Contract #19-PS-01 as renewed and amended, (hereinafter the “Contract”).

This Agreement supersedes all other agreements, including any previous business associate agreements, between the parties with respect to the specific matters addressed herein. In the event the terms of this Agreement are contrary to or inconsistent with any provisions of the Contract or any other agreements between the parties, this Agreement shall prevail, subject in all respects to the Health Insurance Portability and Accountability Act of 1996, as amended (the “Act”), and the HIPAA Rules, as defined in Section 2.1 below.

1 Purpose.

The purpose of this Agreement is to comply with requirements of the Act and the implementing regulations enacted under the Act, 45 CFR Parts 160 - 164, as amended, to the extent such laws relate to the obligations of business associates, and to the extent such laws relate to obligations of MCHCP in connection with services performed by Vendor for or on behalf of MCHCP under the Contract. This Agreement is required to allow the parties to lawfully perform their respective duties and maintain the business relationship described in the Contract.

2.3 To the extent a term is defined in the Contract and this Agreement, the definition in this Agreement, subject in all material respects to the HIPAA Rules, shall govern.

2.4 Notwithstanding the forgoing, for ease of reference throughout this Agreement, Business Associate understands and agrees that wherever PHI is referenced in this Agreement, it shall be deemed to include all MCHCP-related PHI in any format or media including paper, recordings, electronic media, emails, and all forms of MCHCP-related ePHI in any data state, be it data in motion, data at rest, data in use, or otherwise.

3.2 **Appropriate Safeguards.** Business Associate agrees to implement, maintain, and use appropriate administrative, physical, and technical safeguards, and fully comply with all applicable standards, implementation specifications, and requirements of Subpart C of 45 CFR Part 164 with respect to ePHI, in order to: (i) ensure the confidentiality, integrity, and availability of ePHI created, received, maintained, or transmitted; (ii) protect against any reasonably anticipated threats or hazards to the security or integrity of such information; and (iii) protect against use or disclosure of ePHI by Business Associate, its workforce, and its subcontractors other than as provided for by this Agreement.

In addition to the forgoing, and in accordance with the Contract, Business Associate agrees it will not permit any subcontractor, or use any off-shore entity, to perform services under the Contract, including creation, use, storage, or transmission of PHI at any location(s) outside of the United States.

3.4.3 The notice shall include to the fullest extent possible:

a) a detailed description of what happened, including the date, time, and all facts and circumstances surrounding the unauthorized use or disclosure, breach of unsecured PHI, or security incident;

b) the date, time, and circumstances surrounding when and how Business Associate first became aware of the unauthorized use or disclosure, breach of unsecured PHI, or security incident;

3.4.4 Business Associate agrees to cooperate with MCHCP during the course of Business Associate’s investigation and risk assessment and to promptly and regularly update MCHCP in writing as supplemental information becomes available relating to any of the items addressed in the notice.

3.4.5 Business Associate further agrees to provide additional information upon and as reasonably requested by MCHCP; and to take any additional steps MCHCP reasonably deems necessary or advisable to comply with MCHCP’s obligations as a covered entity under the HIPAA Rules.

3.4.6 Business Associate expressly acknowledges the presumption of breach with respect to any unauthorized acquisition, access, use, or disclosure of PHI, unless Business Associate is able to demonstrate otherwise in accordance with § 164.402(2), in which case, Business Associate agrees to fully document its assessment and all factors considered and provide MCHCP no later than ten (10) calendar days following Business Associate’s discovery with its complete written risk assessment, conclusion reached, and all documentation supporting a conclusion that the unauthorized acquisition, access, use, or disclosure of PHI presents a low probability that PHI has been compromised.

3.4.7 The parties agree to work together in good faith, making every reasonable effort to reach consensus regarding whether a particular circumstance constitutes a breach or otherwise warrants notification, publication, or reporting to any affected individual, government body, or the public and also the appropriate means and content of any notification, publication, or report. Notwithstanding the foregoing, all final decisions involving questions of breach of PHI shall be made by MCHCP, including whether a breach has occurred, and any notification, publication, or public reporting required or reasonably advisable under the HIPAA Rules and MCHCP’s Notice of Privacy Practices based on all objective and verifiable information provided to MCHCP by Business Associate under this Section 3.4.

3.4.8 Business Associate agrees to bear all reasonable and actual costs associated with any notifications, publications, or public reports relating to breaches by Business Associate, any subcontractor of Business Associate, and any employee or workforce member of Business Associate and/or its subcontractors, as MCHCP deems necessary or advisable.

If the individual submits a written request for PHI in a designated record set directly to Business Associate, no later than five (5) business days thereafter, Business Associate shall provide MCHCP with: (i) a copy of the individual’s request to MCHCP for purposes of determining an appropriate response to the request; (ii) the designated record sets in Business Associate’s custody or control that are subject to access by the requesting individual(s) requested in the form and format requested by the individual if it is readily producible in such form and format, or if not, in a readable hard copy form; and (iii) the titles of the persons or offices responsible for receiving and processing requests for access by individual(s). MCHCP will direct Business Associate in writing within five (5) business days following receipt of the information described in (i), (ii), and (iii) of this subsection 3.6.2 whether Business Associate should send the requested designated data set directly to the individual or whether MCHCP will forward the information received from Business Associate as part of a coordinated response or if for any reason MCHCP deems the response should be sent from MCHCP or another Business Associate acting on behalf of MCHCP. If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form or such other form and format as agreed to by Business Associate and the individual. Business Associate will provide MCHCP’s Privacy Officer with a copy of all responses sent to individuals pursuant to § 164.524 and the directives set forth in this subsection 3.6.2 for MCHCP’s compliance and documentation purposes.

3.7 Amendments of PHI. Business Associate agrees it will make any amendment(s) to PHI in a designated record set as directed or agreed to by MCHCP pursuant to § 164.526, and take other measures as necessary and reasonably requested by MCHCP to satisfy MCHCP’s obligations under § 164.526.

3.7.1 If Business Associate receives a request directly from an individual to amend PHI created by Business Associate, received from MCHCP, or otherwise within the custody or control of Business Associate at the time of the request, Business Associate shall promptly refer the individual to MCHCP’s Privacy Officer, and, if the request is in writing, shall forward the individual’s request three (3) business days to MCHCP’s Privacy Officer so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within seven (7)
business days of receipt of MCHCP’s written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

3.8 PHI Disclosure Accounting. Business Associate agrees to document, maintain, and make available to MCHCP within seven (7) calendar days of a request from MCHCP for all disclosures made by or under the control of Business Associate or its subcontractors that are subject to accounting, including all information required, under § 164.528 to satisfy MCHCP’s obligations regarding accounting of disclosures of PHI.

3.8.1 If Business Associate receives a request for accounting directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual’s request, to MCHCP so that MCHCP can evaluate, coordinate and prepare a timely response to the individual’s request.

3.8.2 In addition to the provisions of 3.8.1, all PHI accounting requests received by Business Associate directly from the individual shall be acted upon by Business Associate as a request from MCHCP for purposes of Business Associate’s obligations under this section. Unless directed by MCHCP to respond directly to the individual, Business Associate shall provide all accounting information subject to disclosure under § 164.528 to MCHCP within seven (7) calendar days of the individual’s request for accounting.

3.9 Privacy of PHI. Business Associate agrees to fully comply with all provisions of Subpart E of 45 CFR Part 164 that apply to MCHCP to the extent Business Associate has agreed or assumed responsibilities under the Contract or this Agreement to carry out one or more of MCHCP’s obligation(s) under 45 CFR Part 164 Subpart E.

3.10 Internal Practices, Books, and Records. Upon request of MCHCP or the Secretary, Business Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of MCHCP available to MCHCP and/or the Secretary in a time and manner designated by MCHCP or the Secretary for purposes of determining MCHCP’s and/or Business Associate’s compliance with the HIPAA Rules.

4 Permitted Uses and Disclosures of PHI by Business Associate.

4.1 Contractual Authorization. Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract, including but not limited to specific requirements set forth in the Scope of Work (as such term is defined in the Contract), as amended. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI which is required to provide the services specified in the Contract. The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.1.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate.
4.1.2 This Agreement permits Business Associate to combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities in order to provide MCHCP with such comprehensive, aggregate summary reports as specifically required by, or specially requested under, the Contract.

4.2 Authorization by Law. Business Associate may use or disclose PHI as permitted or required by law.

4.3 Minimum Necessary. Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.3.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate’s workforce who need access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.3.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.

4.3.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose if and when:

a) Making disclosures to public officials as permitted under § 164.512, if the public official represents that the information requested is the minimum necessary for the stated purpose(s); or

b) The information is requested by a professional who is a member of its workforce or is a business associate of MCHCP for the purpose of providing professional services to MCHCP, if the professional represents that the information requested is the minimum necessary for the stated purpose(s).

4.3.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required under, and made in accordance with, the HIPAA Rules.
5 **Obligations of MCHCP.**

5.1 **Notice of Privacy Practices.** MCHCP shall notify Business Associate of any limitation(s) that may affect Business Associate’s use or disclosure of PHI by providing Business Associate with MCHCP’s Notice of Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this Agreement.

5.2 **Individual Authorization Changes.** MCHCP shall notify Business Associate in writing of any changes in, or revocation of, the authorization by an individual to use or disclose his or her PHI, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.3 **Confidential Communications.** MCHCP shall notify Business Associate in writing of individual requests approved by MCHCP in accordance with § 164.522 to receive communications of PHI from Business Associate by alternate means or at alternative locations, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.4 **Individual Restrictions.** MCHCP shall notify Business Associate in writing of any restriction to the use or disclosure of PHI that MCHCP has agreed and, if applicable, any subsequent revocation or termination of such restriction, in accordance with § 164.522, to the extent that such changes may affect Business Associate’s use or disclosure of PHI.

5.5 **Permissible Requests by MCHCP.** MCHCP shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by MCHCP.

6 **Term and Termination, Expiration, or Cancellation.**

6.1 **Term.** This Agreement is effective upon signature of both parties, and shall terminate upon the termination, expiration, or cancellation of the Contract, as amended, unless sooner terminated for cause under subsection 6.2 below.

6.2 **Termination.** Without limiting MCHCP’s right to terminate the Contract in accordance with the terms therein, Business Associate also authorizes MCHCP to terminate this Agreement immediately by written notice and without penalty if MCHCP determines, in its sole discretion, that Business Associate has violated a material term of this Agreement and termination of this Agreement is in the best interests of MCHCP or its members. Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative or in addition to termination, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the time and manner specified by MCHCP based on the circumstances presented. With respect to this subsection, MCHCP’s remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

6.3 **Obligations of Business Associate Upon Termination.** Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP’s direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of
MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. All such PHI shall be securely transmitted in accordance with MCHCP’s written directive in electronic format accessible and decipherable by the MCHCP designated recipient. Following confirmation of receipt and usable access of the transmitted PHI by the MCHCP designated recipient, Business Associate shall destroy all MCHCP-related PHI and thereafter retain no copies in any form for any purpose whatsoever. Within seven (7) business days following full compliance with the requirements of this subsection, an authorized representative of Business Associate shall certify in writing addressed to MCHCP’s Privacy and Security Officers that Business Associate has fully complied with this subsection and has no possession, control, or access, directly or indirectly, to MCHCP-related PHI from any source whatsoever.

Notwithstanding the foregoing, Business Associate may maintain MCHCP-PHI after the termination of this Agreement to the extent return or destruction of the PHI is not feasible, provided Business Associate: (i) refrains from any further use or disclosure of the PHI; (ii) continues to safeguard the PHI thereafter in accordance with the terms of this Agreement; (iii) does not attempt to de-identify the PHI without MCHCP’s prior written consent; and (iv) within seven (7) days following full compliance of the requirements of this subsection, provides MCHCP written notice describing all PHI maintained by Business Associate and certification by an authorized representative of Business Associate of its agreement to fully comply with the provisions of this paragraph.

6.4 Survival. All obligations and representations of Business Associate under this Section 6 and subsection 7.2 shall survive termination, expiration, or cancellation of the Contract and this Agreement.

7 Miscellaneous.

7.1 Satisfactory Assurance. Business Associate expressly acknowledges and represents that execution of this Agreement is intended to, and does, constitute satisfactory assurance to MCHCP of Business Associate’s full and complete compliance with its obligations under the HIPAA Rules. Business Associate further acknowledges that MCHCP is relying on this assurance in permitting Business Associate to create, receive, maintain, use, disclose, or transmit PHI as described herein.

7.2 Indemnification. Each party shall, to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the other party and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of such party or any subcontractor, consultant, or workforce member of such party to the extent such acts or omissions violate the terms of this Agreement or the HIPAA Rules as applied to the Contract.

Notwithstanding the foregoing, if Business Associate maintains any MCHCP-related PHI following termination of the Contract and this Agreement pursuant to subsection 6.3, Business Associate shall be solely responsible for all PHI it maintains and, to the fullest extent permitted by law, Business Associate shall protect, defend, indemnify and hold harmless MCHCP and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys’ fees and expenses, including at trial and on appeal) arising out of the acts or omissions of Business Associate or any subcontractor, consultant, or workforce member of Business Associate.
regarding such PHI to the extent such acts or omissions violate the terms of the Act or the HIPAA Rules.

7.3 No Third Party Beneficiaries. There is no intent by either party to create or establish third party beneficiary status or rights or their equivalent in any person or entity, other than the parties hereto, that may be affected by the operation of this Agreement, and no person or entity, other than the parties, shall have the right to enforce any right, claim, or benefit created or established under this Agreement.

7.4 Amendment. The parties agree to work together in good faith to amend this Agreement from time to time as is necessary or advisable for compliance with the requirements of the HIPAA Rules. Notwithstanding the foregoing, this Agreement shall be deemed amended automatically to the extent any provisions of the Act or the HIPAA Rules not addressed herein become applicable to Business Associate during the term of this Agreement pursuant to and in accordance with any subsequent modification(s) or official and binding legal clarification(s), to the Act or the HIPAA Rules.

7.5 Interpretation. Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.

THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS BUSINESS ASSOCIATE AGREEMENT.

1.22 Survival of Terms: Termination or expiration of this Contract for any reason will not release
either party from any liabilities or obligations set forth in this Contract that: (i) the parties
expressly agree will survive any such termination or expiration; or (ii) remain to be performed
or by their nature would be intended to apply following any such termination or expiration.

2 Rights and Obligations of the Parties

2.1 General Provisions: VENDOR shall provide a web-based Procurement and Vendor
Management Solution to MCHCP in a manner that meets or exceeds the specific requirements
in the Scope of Work set forth in Section B of the RFP and incorporated in this Contract as if
fully set forth herein by agreement of the parties under subsection d. of Section 1.2 above. In

provide expert guidance regarding technical problems or issues as needed in accordance with
the provisions herein.

2.2 Confidentiality: VENDOR will have access to private and/or confidential data maintained by
MCHCP to the extent necessary to carry out its responsibilities under this Contract. No private
or confidential data received, collected, maintained, transmitted, or used in the course of
performance of this Contract shall be disseminated by VENDOR except as authorized by
MCHCP, either during the period of this Contract or thereafter. VENDOR must agree to return
any or all data furnished by MCHCP promptly at the request of MCHCP in whatever form it is
maintained by VENDOR. On the termination or expiration of this Contract, VENDOR will not
use any of such data or any material derived from the data for any purpose and, where so
instructed by MCHCP, will destroy or render it unreadable.

2.3 Subcontracting: Subject to the terms and conditions of this section, this Contract shall be
binding upon the parties and their respective successors and assigns. VENDOR shall not
subcontract with any person or entity to perform all or any part of the work to be performed
under this Contract without the prior written consent of MCHCP. VENDOR may not assign, in
whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder
without the prior written consent of MCHCP. VENDOR agrees that any and all subcontracts
entered into by VENDOR for the purpose of meeting the requirements of this Contract are the
responsibility of VENDOR. MCHCP will hold VENDOR responsible for assuring that
subcontractors meet all the requirements of this Contract and all amendments thereto.
VENDOR must provide complete information regarding each subcontractor used by VENDOR
to meet the requirements of this Contract.

2.4 Disclosure of Material Events: VENDOR agrees to immediately disclose any of the following
to MCHCP to the extent allowed by law for publicly traded companies:
• Any material adverse change to the financial status or condition of VENDOR;
• Any merger, sale or other material change of ownership of VENDOR;
• Any conflict of interest or potential conflict of interest between VENDOR’s engagement with MCHCP and the work, services or products that VENDOR is providing or proposes to provide to any current or prospective customer; and
• (1) Any material investigation of VENDOR by a federal or state agency or self-regulatory organization; (2) Any material complaint against VENDOR filed with a federal or state agency or self-regulatory organization; (3) Any material proceeding naming VENDOR before any federal or state agency or self-regulatory organization; (4) Any material criminal or civil action in state or federal court naming VENDOR as a defendant; (5) Any material fine, penalty, censure or other disciplinary action taken against VENDOR by any federal or state agency or self-regulatory organization; (6) Any material judgment or award of damages imposed on or against VENDOR as a result of any material criminal or civil action in which VENDOR was a party; or (7) Any other matter material to the services rendered by VENDOR pursuant to this Contract.

For the purposes of this paragraph, “material” means of a nature or of sufficient monetary value, or concerning a subject which a reasonable party in the position of and comparable to MCHCP would consider relevant and important in assessing the relationship and services contemplated by this Contract. It is further understood in that in fulfilling its ongoing responsibilities under this paragraph, VENDOR is obligated to make its best faith efforts to disclose only those relevant matters which to the attention of or should have been known by VENDOR’s personnel involved in the engagement covered by this Contract and/or which come to the attention of or should have been known by any individual or office of VENDOR designated by VENDOR to monitor and report such matters.

Upon learning of any such actions, MCHCP reserves the right, at its sole discretion, to terminate this Contract.

2.5 Off-shore Services: All services under this Contract shall be performed within the United States. VENDOR shall not perform, or permit subcontracting of services under this Contract, to any off-shore companies or locations outside of the United States. Any such actions shall result in VENDOR being in breach of this Contract.

2.6 Change in Laws: VENDOR agrees that any state and/or federal laws and applicable rules and regulations enacted during the terms of the contract which are deemed by MCHCP to necessitate a change in the contract shall be incorporated into the contract automatically. MCHCP will review any request for additional fees resulting from such changes and retains final authority to make any changes. A consultant may be utilized to determine the cost impact.

2.7 Compliance with Laws: VENDOR shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of this Contract, including but not limited to the provisions listed below.

2.7.1 Non-discrimination, Sexual Harassment and Workplace Safety: VENDOR agrees to abide by all applicable federal, state and local laws, rules and regulations prohibiting discrimination in employment and controlling workplace safety.
VENDOR shall establish and maintain a written sexual harassment policy and shall inform its employees of the policy. VENDOR shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor. Any violations of applicable laws, rules and regulations may result in termination of the Contract.
