Important Note About MCHCP Contributions

To review the MCHCP contribution amount or calculate premiums, log into myMCHCP. If you need additional help determining your premium, contact MCHCP Member Services at 800-487-0771. Retiree premiums listed in this guide do not reflect the MCHCP contribution, and are more than what the retiree subscriber will owe each month. The contribution is based on level of coverage, creditable years of service at retirement and Medicare status.

Those with Medicare will be enrolled in the Medicare Advantage Plan. The Medicare Advantage Plan and Medicare Prescription Drug Plan include coverage in accordance with Medicare rules.
