Division 10—Health Care Plan
Chapter 3—Public Entity Membership

PROPOSED AMENDMENT

22 CSR 10-3.055 Health Savings Account Plan Benefit Provisions and Covered Charges The Missouri Consolidated Health Care Plan is amending sections (3), (13), (14), (18), and adding section (9).

PURPOSE: This amendment revises the Health Savings Account (HSA) Plan individual family member out-of-pocket maximum, adds one hundred percent (100%) coverage after deductible is met for sterilization procedure for men, revises maximum plan payment, timely filing timeframe, services performed in another country, and renumbers as necessary.

(3) Out-of-pocket maximum.

(A) The family out-of-pocket maximum applies when two (2) or more family members are covered. The family out-of-pocket maximum must be met before the plan begins to pay one hundred percent (100%) of all covered charges for any covered family member. Out-of-pocket maximums are per calendar year, as follows:

1. Network out-of-pocket maximum for individual—four thousand nine hundred fifty dollars ($4,950);
2. Network out-of-pocket maximum for family—nine thousand nine hundred dollars ($9,900). Any individual family member need only incur a maximum of eight thousand one hundred fifty dollars ($8,150) before the plan begins paying one hundred percent (100%) of covered charges for that individual;
3. Non-network out-of-pocket maximum for individual—nine thousand nine hundred dollars ($9,900); and

(9) Sterilization procedure for men is paid at one hundred percent (100%) when provided by a network provider after deductible is met.

((9))((10)) Newborn’s claims will be subject to deductible and coinsurance.

((10))((11)) Each subscriber will have access to payment information of the family unit only when authorization is granted by the adult covered dependent(s).

((11))((12)) Expenses toward the deductible and out-of-pocket maximum will be transferred if the member changes medical plans or continues enrollment under another subscriber’s plan within the same plan year.

((12))((13)) Maximum plan payment—Non-network medical claims that are not otherwise subject to a contractual discount arrangement are processed at one hundred ten percent (110%) of Medicare reimbursement for non-network professional claims and following the claims administrator’s standard practice for non-network facility claims. Members may be held liable for the amount of the fee above the allowed amount.
Any claim must be initially submitted within twelve (12) months following the date of service, unless otherwise specified in the network provider contract. The plan reserves the right to deny claims not timely filed. A provider initiated correction to the originally filed claim must be submitted within the timeframe agreed in the provider contract, but not to exceed three hundred sixty-five (365) days from adjudication of the originally filed claim. Any claims reprocessed as primary based on action taken by Medicare or Medicaid must be initiated within three (3) years of the claim being incurred.

For a member who is an inpatient on the last calendar day of a plan year and remains an inpatient into the next plan year, the prior plan year’s applicable deductible and/or coinsurance amounts will apply to the in-hospital facility and related ancillary charges until the member is discharged.

A subscriber does not qualify for the HSA Plan if s/he is claimed as a dependent on another person’s tax return or, except for the plans listed in section ((16))((17) of this rule, is covered under or enrolled in any other health plan that is not a high deductible health plan, including, but not limited to, the following types of insurance plans or programs:

(A) Medicare (unless Medicare is secondary coverage to MCHCP);
(B) TRICARE;
(C) A health care flexible spending account (FSA), with the exception of participation in the premium-only, limited-purpose health FSA, and dependent care section;
(D) Health reimbursement account (HRA); or
(E) If the member has received medical benefits from The Department of Veterans Affairs (VA) at any time during the previous three (3) months, unless the medical benefits received consist solely of disregarded coverage or preventive care.

A subscriber may qualify for this plan even if s/he is covered by any of the following:

(A) Drug discount card;
(B) Accident insurance;
(C) Disability insurance;
(D) Dental insurance;
(E) Vision insurance; or
(F) Long-term care insurance.

Services performed in a country other than the United States may be covered if the service is included in 22 CSR 10-3.057. Emergency and urgent care services are covered as a network benefit. All other non-emergency services are covered as [a non-network benefit] determined by the claims administrator. If the service is provided by a non-network provider, the member may be required to provide payment to the provider and then file a claim for reimbursement subject to timely filing limits.

PRIVATE COST: This proposed amendment will not cost private entities more than five hundred dollars ($500) in the aggregate.
